VIDHYA .S

B.E.Electronics And Communication Engineerinng

PHONE:9442031440 |EMAIL: Vidhyasingaravelan02@gmail.com

ADDRESS:Vaniyambadi, Tirupattur District |LINKEDIN: linkedin.com/in/vidhya-singaravelan-291310300

Career Objective

ECE undergraduate with practical exposure to embedded systems, ESP32, Arduino, IoT prototyping and electronics projects, along with developing programming and software skills. Experienced in building project prototypes using sensors and simulation platforms such as Wokwi. Interested in entry-level technology/software/embedded roles and eager to learn and contribute in a professional environment.

Education

COURSE	NAME OF THE INSTITUTION/COLLEGE	BOARD/ UNIVERSITY	YEAR PASSED	% OF MARKS
S.S.L.C	HINDU HIGHER SECONDARY SCHOOL	STATE	2021	NA
HSC I	HINDU HIGHER SECONDARY SCHOOL	STATE	2022	73
HSC II	HINDU HIGHER SECONDARY SCHOOL	STATE	2023	83
B.E(ECE)	PRIYADARSHINI ENGINEERING COLLEGE	ANNA UNIVERSITY	2027	8.65(upto 6TH SEM)

Technical skills

- Core Subjects: Network Theory, digital electronics ,control system
- Tools: Arduino IDE, LTspice,MS Office suite
- Programming : C, Python (basics)
- Design**:** Inkscape, Graphic Design, Logo Design
- Simulation/Tools: Wokwi
- Hardware: ESP32, Arduino, Sensors, Embedded Systems,IOT

Projects

- smart adaptive hybrid microgrid for rural health centers
- smart electric shock prevention and detection system
- smart house price prediction

Achievements and certifications

- Secured 1st prize – paper presentation in a technical symposium conducted at podhigai college of engineering and technology.
- Participated in TN skills Hackathon,working on an innovative technology project.
- Certificate of participation in embedded systems and vlsi conducted by NIELT.

SOFT SKILLS

- Strong analytical and problem-solving skills
- Effective team collaboration and communication
- Time management

Languages

- Tamil
- English

DECLARATION

I hereby declare that all the above information’s are true.

Thanking you your’s faithfully
