EDUCATION

Adithya Institute of Technology

B.E - Electronics and communication Engineering

CGPA-8.0

2022-2026

Government Higher secondary school Pethikuttai

HSC - 71%

2021-2022

Government Higher secondary school Pethikuttai

SSLC - 77%

2020-2021

SKILLS

- Embedded system
- Python
- C programming
- Problem solving
- Electronics
- MS Excel
- Microsoft word
- Communication
- Teamwork

CAREER OBJECTIVE

A motivated and hardworking Electronics and Communication Engineering graduate seeking an opportunity to begin a professional career in a reputed organization. Eager to learn new technologies, develop professional knowledge, and contribute to the growth of the organization.

PROJECTS

Automated Waste Collection and Alert System

Developed an IoT-basedsmartwaste management system using sensors and microcontrollers to monitor waste levels and provide alerts for efficient waste collection.

Smart Blind Stick

Developed a smart blind stick using Arduino, ultrasonic sensors, and a buzzer to assist visually impaired people. The system detects obstacles in front of the user and provides an alert through a buzzer, helping improve safety and mobility.

INTERNSHIP

Salzer Electronics Limited, Coimbatore 2026

Gained practical knowledge in switch manufacturing, transformers, and industrial processes. Learned about production procedures, quality standards, and workplace operations.

CERTIFICATIONS

- Basics of Embedded System – Knowledge Point (2026)
- Smartphone Service and Troubleshooting – Workshop
