SUMMARY

Enthusiastic Full Stack Developer with foundational knowledge of the MERN stack (MongoDB, Express.js, React.js, Node.js) and experience in building basic web applications and responsive UI projects. Working knowledge of JavaScript, HTML, CSS, and React.js with an understanding of REST APIs, component-based development, and MongoDB databases. Passionate about learning modern web technologies and eager to contribute to a development team while continuously improving technical and problem-solving skills.

SKILLS

Languages : JavaScript, HTML, CSS
Frontend : React.js
Backend : Node.js, Express.js
Database : MongoDB
Tools : GitHub, VS Code, Postman

TECHNICAL EXPERIENCE [Web Development Intern]

Mayura Technologies | Erode June 2024 - July 2024

Developed understanding of core concepts of full-stack web development using the MERN stack. Built small responsive UI projects using HTML, CSS, JavaScript and React.js to understand component-based development.Practiced creating reusable React components and basic frontend application structure.

Codebind Technologies | Chennai June 2023 - July 2023

Learned fundamentals of web development, including application structure, development workflow, and project organization.Gained hands-on experience with modern development tools such as GitHub, VS Code, and Postman.

PROJECTS

HabitFlow – Habit Tracking Web Application | MERN

- Developed a full-stack habit tracking application using MongoDB, Express.js, React.js, and Node.js.
- Implemented JWT-based authentication for user login and registration.
- Built RESTful APIs to perform CRUD operations on habit data stored in MongoDB Atlas.
- Designed a personalized dashboard for users to track daily habits and long-term goals.Implemented responsive UI components for better user experience.

Technologies: MongoDB, Express.js, React.js, Node.js.

Personal Portfolio Website | React.js

- Designed and developed a responsive portfolio website using React.js.Implemented a structured layout to showcase projects, technical skills, and contact information.

Technologies: HTML, CSS, JavaScript, React.js
