PROFESSIONAL SUMMARY

Cybersecurity professional and B.E. Cyber Security student with practical experience in Information Security, ISO/IEC 27001 compliance, ISMS, GRC, risk management, SOC operations, cybercrime investigation, incident reporting, digital evidence handling, and Zero Trust Security. Skilled in security governance, risk assessment, compliance monitoring, audit readiness, security monitoring, threat detection, and incident response coordination. Certified in ISO/IEC 27001:2022 Information Security and Zero Trust Cybersecurity. Seeking opportunities across Cybersecurity, SOC, Information Security, GRC, ISO 27001, Cyber Risk, and Incident Response.

CORE CYBERSECURITY SKILLS

Cybersecurity & SOC: Security Operations, SOC Fundamentals, SIEM Monitoring, Log Analysis, Security Monitoring, Threat Detection, Alert Triage, Incident Response, Incident Reporting, Cyber Threat Analysis, Cybercrime Investigation, Digital Evidence Collection, Network Security, Vulnerability Management

GRC & Compliance: ISO/IEC 27001:2022, ISMS, Risk Assessment, Risk Management, Risk Register Management, Internal Auditing, Compliance Monitoring, Audit Readiness, Security Controls, Governance, Security Policies & Procedures, Asset Management, Asset Classification, Cyber Risk Management

Security Practices: Zero Trust Security, Security Awareness, Information Security Documentation, Policy Compliance, Security Best Practices, Incident Response Coordination, Evidence Handling

PROFESSIONAL EXPERIENCE

Cybercrime Intern — Tamil Nadu Cyber Crime Wing, Chennai *Sep 2025 – Oct 2025*

- Assisted in cybersecurity investigations, incident documentation, evidence collection, and cybercrime investigation workflows.

Cyber Crime Intervention Officer — ISAC *Aug 2024 – Present*

- Supported cybercrime awareness, incident reporting, cyber risk awareness, and information security initiatives.

Cybersecurity / Information Security Experience — Independent *Mar 2024 – Present*

- Participated in cybersecurity awareness initiatives, supporting security best practices, risk awareness, and incident reporting.

SELECTED PROJECTS

SOC Simulation Lab — SIEM Monitoring & Threat Detection

- Built a home SOC lab using Wazuh (open-source SIEM) to collect and correlate logs; configured detection rules for brute force, port scanning, and malware indicators, and practiced alert triage mapped to MITRE ATT&CK.

ISO 27001 Compliance Documentation Framework

- Designed customizable ISO/IEC 27001 templates covering security policies, procedures, risk assessments, ISMS documentation, and audit readiness materials.

ISMS Asset Inventory & Classification Framework

- Designed a centralized asset inventory framework, classifying information assets by security requirements and business importance.

AuditTrail AI — Insider Threat & Compliance Platform

- Designed a compliance platform for insider threat monitoring, audit tracking, risk management, and governance workflows.

Dark Web & CDR Analysis Platform

- Developed a research platform for Call Detail Record and dark web data analysis, supporting threat intelligence and digital investigation.

HyperVision Sentinel — AI Industrial Hazard Detection

- Designed a privacy-preserving industrial security framework combining Edge AI, hyperspectral imaging, and SCADA data fusion for real-time hazard detection.

AI-Based Phishing Detection System

- Researched an AI-based phishing detection solution with privacy and GDPR compliance considerations.

EDUCATION

B.E. Cyber Security — Sengunthar Engineering College (Autonomous), Tiruchengode, Tamil Nadu | *Expected Graduation: 2027*
Higher Secondary Certificate (HSC) — Shree Valli Matriculation Higher Secondary School, Kodumudi, Tamil Nadu | *Graduated: May 2023*

CERTIFICATIONS

ISO/IEC 27001:2022 Information Security Associate (SkillFront) | Zero Trust Cyber Associate – ZTCA (Zscaler) | Cyber Crime Intervention Officer (ISAC) | Cyber Crime First Responder (Copconnect) | Professional Ethics at Workplace (Clean Exit)

AWARDS & RECOGNITION

Outstanding CCIO Award — ISAC | Cybersecurity Superhero Award — NICC India | Cadet Citation — National Security Database
