SUMMARY

Aspiring Information Technology graduate with knowledge of Graphics design and problem-solving. A dedicated individual with technical skills, leadership abilities, and business experience.

EDUCATION

Bachelor of Technology of Information Technology
Kongunadu College of Engineering and Technology
Year : **2027** **CGPA : 6.5**

HSC Higher Secondary
Year : **2023** **63%**

SSLC Secondary School
Year :**2021** **100%**

TECHNICAL SKILLS

Programming : Java

Web Technology:HTML, CSS

DATABASE
- MySQL

DESIGN TOOLS
- Figma
- Photoshop
- Canva

PROJECT DETAILS

PROJECT 1

Title : AI Powered Mental Health Chatbot

Technology : ML,NLP, OpenCV,

Description: Mental health challenges such as stress and depression are increasing globally, yet access to time and psychological support remains limited. A mental health chatbot can provide accessible support.

PROJECT 2

Title :Touch and Tell: Voice Assistant for Immobile Patient

Hardware: Arduino Uno ,Touch Sensor,Speaker

Description: This project presents a finger touch-based voice communication system, a finger touch-based voice assistant for speech-impaired and bedridden patients. The system translates touch inputs into voice messages, enabling simple and effective communication and improving accessibility and patient care.

PROJECT 3

Title : Developed a digital billing and work-hour calculation system.

Technology : React,Tailwind CSS,Vite

Description : Developed a web-based construction equipment platform for JCB booking and rental operations. The system includes customer booking and digital reading sheet automation for work hours.
meter and billing calculations.

AREA OF INTEREST

- Graphic Design
- UI/UX Design

INTERNSHIP

UI/UX DESIGN - Appin Technology

- Designed user-friendly and visually appealing UI screens.
- Created wireframes and interactive prototypes using Figma.

Coimbatore June 2025

CERTIFICATION

UI/UX Design -NoviTech R&D Private Limited | April 2025

Internet of Things -NPTEL Completing the Course | Oct 2024

HACKATHON & TECHNICAL EVENTS

✓ Digital Bank Transaction Matching and Reconciliation Platform
Erode Sengunthar Engineering College

✓ Gnanamani College of Engineering Technology
Participated in a paper presentation at Touching Technology

EXTRA-CURRICULAR ACTIVITIES

- NSS Member
- Skilled in video editing, photo editing
