Power Skills: Leadership & Team Management, Employee Engagement, Recruitment & Onboarding, Training & Workshop Facilitation

WORK EXPERIENCE

Wabtec Corporation | Bengaluru — Jun 2026 - Present

HR Trainee

- Supporting **5+ strategic HR initiatives** across **Diversity & Inclusion, Employee Retention, and Learning & Development**, collaborating with cross-functional stakeholders to design, execute, and monitor people-focused interventions
- Built **interactive Power BI dashboards** by integrating HR data from multiple sources, enabling leadership to monitor workforce metrics, project progress, and key people insights through automated reporting
- Developed **Power Automate workflows** to streamline HR processes, reducing manual effort, improving process standardization, and supporting data-driven decision-making across HR operations

Skills learned: Power BI, Power Automate, HR Analytics, Workforce Analytics, Diversity & Inclusion, Employee Retention, Learning & Development, Data Visualization, Stakeholder Management, Process Automation

Digital Bonjour | Chandigarh — Aug 2025 - Jan 2026

HR Associate/ HR trainer (Contract)

- Closed an average of **3–5 positions per month** by independently managing end-to-end recruitment for **5–7 live roles**, maintaining hiring continuity under tight business timelines
- **Reduced** average time-to-shortlist by **~30%** by implementing structured sourcing strategies using **LinkedIn Recruiter, Boolean, and X-Ray search**, improving candidate quality and interview conversion rates
- Scaled recruitment output by mentoring **5 HR interns** and delivering a structured **45-day recruiter training program**, resulting in faster ramp-up and improved sourcing accuracy across the team
- **Tech Stack used**: LinkedIn Recruiter, Boolean Search, X-Ray Search, Naukri, Indeed, MS Excel

INTERNSHIP

Digital Bonjour | Chandigarh — May 2025 - Aug 2025

HR Intern

- **Sourced and screened** candidates for **3 active roles concurrently**, building qualified shortlists through **LinkedIn Recruiter, Boolean, and X-Ray search**, supporting timely interview pipelines
- **Conducted** first-round interviews and preliminary assessments, improving **candidate–role fit** and reducing downstream interview rejections
- **Contributed** to **on-time role closures** by maintaining hiring momentum through consistent sourcing, screening, and follow-up during the internship period
- **Skills learned**: Employee Engagement & Experience Management, Employee Feedback Analysis, Report Writing & Policy Recommendation

PROJECTS/ LIVE PROJECTS

Workplace Wellbeing Training | Sivam Multispecialty Dental Centre — Feb 2026 - Mar 2026

- **Conducted Training Needs Analysis (TNA)** through employee discussions and workplace observation to identify key stress-related challenges impacting productivity
- **Designed and facilitated a 2-day training program** on workplace stress management, resilience techniques, and employee well-being for clinic staff
- Delivered interactive learning sessions incorporating case discussions, behavioural exercises, and coping frameworks to improve workplace stress handling
- Secured and executed the training engagement, generating approximately **₹12,000** in consulting revenue

HRMS Prototype Development | LPU — Nov 2025 - Dec 2025

- **Designed and developed** a functional HRMS prototype integrating employee records management, performance appraisal tracking, and internal communication workflows
- **Analyzed client requirements** and translated HR process needs into a customized digital HR workflow system
- Implemented core HR modules supporting employee data management and structured performance review cycles
- Converted the prototype into a paid solution, generating **₹8,500 in revenue** through client pitching and delivery
