KIRUBHASHREE S

Aspiring Full Stack Developer

9750723240 | kirubhashreesenthilkumar67@gmail.com | linkedin.com/in/kirubhashree-senthilkumar | github.com/kirubhashree02

PROFESSIONAL SUMMARY

B.Tech Information Technology student (graduating 2027) with hands-on experience developing a MySQL-backed billing module and a solid foundation across front-end (HTML, CSS, JavaScript) and back-end (Java, C, Python) technologies. Certified in Java Programming and Software Project Management through NPTEL. Quick learner with strong logical thinking and collaboration skills, seeking a Full Stack Developer internship/role to design and user-focused web applications.

TECHNICAL SKILLS

Frontend Development: HTML5, CSS3, JavaScript
Backend Development: Java, C, Python (Basics)
Database Management: MySQL
Tools & Platforms: IntelliJ IDEA, Visual Studio Code, GitHub, Git
Core Competencies: Logical Thinking, Team Collaboration, Communication, Adaptability, Quick Learning

PROJECTS

Rice Billing Application — Cashier Module *2026*

Java, MySQL

- Developed the cashier module of a billing application to streamline point-of-sale operations, covering invoice generation and transaction processing.
- Generated accurate, itemized customer invoices and bills, reducing manual calculation effort during checkout.
- Automated real-time stock updates after every sales transaction to keep inventory records synchronized with sales activity.
- Designed and maintained a MySQL database to store and retrieve customer transaction records, ensuring data consistency and easy retrieval.

INTERNSHIP

Google AI-ML Virtual Internship - EduSkills

- Completed a virtual internship covering AI and Machine Learning fundamentals through structured assignments and practical assessments.
- Applied analytical and problem-solving skills to guided, real-world AI/ML use cases.

Google JAVA Full-Stack Virtual Internship - EduSkills

- Completed a virtual internship covering Full Stack Developing fundamentals through structured assignments and practical assessments.
- Applied analytical and problem-solving skills to guided, real-world Full Stack Developing use case.

EDUCATION

B.Tech in Information Technology *2023 – 2027*

Sri Shanmugha College of Engineering and Technology |CGPA:7.5

Higher Secondary Certificate (HSC) *2023*

Government Girls Higher Secondary School | Percentage:60%

CERTIFICATIONS

- Programming in Java — NPTEL
- Fundamentals of Software Project Management — NPTEL
