SUMMARY

Detail-oriented Software Testing fresher with hands-on training in Manual Testing and Automation Testing using Selenium WebDriver, Playwright, Core Java, TypeScript, TestNG, and SQL. Strong understanding of SDLC, STLC, Agile methodologies, and the Page Object Model (POM). Skilled in designing test cases, executing automation scripts, performing database validation, and tracking defects using JIRA. Eager to begin a career as a QA Engineer and contribute to delivering high-quality software.

SKILLS

- **Automation Tools:** Selenium WebDriver, Playwright, TestNG, Page Object Model (POM), Data-Driven Testing, XPath, CSS Selectors
- **Testing Types:** Manual Testing, Automation Testing, Functional Testing, Regression Testing, Integration Testing, System Testing, Smoke Testing, Usability Testing, Compatibility Testing
- **Database:** SQL, DDL, DML, DCL, TCL, Joins, Subqueries, Constraints, Normalization, Backend Validation
- **Methodologies:** SDLC, STLC, Agile (Scrum), Sprint Planning
- **Programming Languages:** Core Java, TypeScript, OOP Concepts, Exception Handling
- **Test Artifacts:** Test Plan, Test Cases, Test Execution Reports, Defect Reports, Traceability Matrix, Defect Life Cycle
- **Version Control:** Git, GitHub

CERTIFICATION & TRAINING

Q Spiders | Coimbatore, Tamil Nadu
Software Testing & Automation Trainee | 01/2026 - 07/2026

- Automated web application test cases using Selenium WebDriver using the Page Object Model (POM).
- Designed and executed manual test cases for functional, regression, integration, and system testing.
- Acquired skills in manual testing, Selenium WebDriver with Java, TestNG, and SQL to strengthen testing capabilities.
- Performed database validation using SQL and reported defects using JIRA.
- Participated in Agile Scrum process to facilitate collaboration and streamline project workflows.

EDUCATION

SSM College of Engineering, Anna University | Komarapalayam, Tamil Nadu
B.E. in Electronics & Communication Engineering | 2022 - 2026
GPA: 7.6/10

St. Antony's Higher Secondary School | Kosavapatti, Dindigul, Tamil Nadu
12th Standard | 2020 - 2022
Percentage: 83%

PROJECTS

Automation Exercise – Web Application Testing

- Automated end-to-end test scenarios for the Automation Exercise e-commerce web application using Selenium WebDriver, Java, and TestNG.
- Designed and executed test cases for login, registration, product search, product details, cart, checkout, and logout functionalities.
- Implemented XPath/CSS locators, Page Object Model (POM), assertions, waits, and reusable automation methods to improve test maintainability.
- Performed functional and regression testing and documented test results and identified defects.

ACTIVITIES AND HONORS

- Department Secretary (ECE Department) – Coordinated department academic activities.
- Sports Club Member – Participated in college sports and team activities (Athletics).
