# UDHAYAKUMAR V P

Software Engineer

+91 8870950633 | vpukumar2005@gmail.com | Linkedin | GitHub

## OBJECTIVE

Detail-oriented graduate with a strong foundation in Python, SQL, and software development, demonstrated by completing projects and consistently delivering high-quality results. Seeking an entry-level Software Engineer position to leverage my programming, problem solving, and analytical skills in developing scalable applications, while actively enhancing my expertise and delivering measurable value to organizational objectives.

## EDUCATION

**B.E. – Electrical and Electronics Engineering** *2026*
*Alagappa Chettiar Government College of Engineering and Technology, Karaikudi*
CGPA: 7.57

**HSC (Class XII)** *2022*
*Kongu Vellalar Matric Higher Secondary School, Erode*
Percentage: 94%

**SSLC (Class X)** *2020*
*Kongu Vellalar Matric Higher Secondary School, Erode*
Percentage: 98.8%

## TECHNICAL SKILLS

- Programming: Python, OOPs, SQL
- Machine Learning**:** Supervised Learning, Classification, Regression, Feature Engineering, Cross-Validation
- Libraries: Pandas, NumPy, Scikit-learn, Matplotlib
- Tools: MS Office, GitHub, Power BI (Basic)
- Concepts: Data Cleaning, EDA, Data Visualization, Data Interpretation

## PROJECTS

### Student Data Management System | Python, SQL Server, Pandas

- Developed a Python-based Student Data Management System using SQL Server to efficiently store, manage, and retrieve student records.
- Implemented CRUD operations, automatic Student ID generation, input validation, and secure database connectivity.
- Integrated Excel import/export, logging, and data validation to improve data management efficiency and maintain accurate records.

### Employee Attrition Prediction | Python, Scikit-learn, Pandas, Streamlit

- Developed and deployed a machine learning model to predict employee attrition using HR analytics data, achieving 86% classification accuracy.
- Performed data preprocessing, exploratory data analysis (EDA), feature engineering, and hyperparameter tuning to improve model performance.
- Built an interactive Streamlit web application for real-time predictions and evaluated the model using accuracy, precision, recall, F1-score, ROC-AUC, and confusion matrix.

https://employee-attrition-uk-18.streamlit.app/

### Sales Dashboard | Power BI, Excel, DAX

- Developed an interactive Power BI Sales Dashboard to visualize sales, profit, orders, and customer performance using dynamic charts and KPI metrics.
- Performed data cleaning, transformation, and modeling using Power Query and DAX to generate accurate business insights.
- Implemented interactive filters, slicers, and drill-through reports to analyze sales trends, regional performance, and top-performing products for data-driven decision-making.

**Business Website Development**

- Developed and deployed a responsive business website for a local oil and flour mill using HTML, CSS, and JavaScript using AI.
- Designed a modern user interface featuring a product catalog, contact information, and location integration to enhance user experience.
- Utilized AI-assisted coding tools to accelerate development while customizing, testing, and deploying the final website using GitHub Pages.

## INTERNSHIP

**Elgi Electric & Industries Limited | Coimbatore**

- Completed an internship where I actively supported troubleshooting and quality checks, ensuring that the electric motors and related components met rigorous performance standards.
- Gained hands-on experience in industrial operations, manufacturing processes, and automation systems by observing and assisting with the production, assembly, and testing of electric motors.
- Developed technical expertise in reading electrical schematics, wiring, and performing basic maintenance activities through collaboration with engineering teams.

## ACHIEVEMENTS

- Runner-up – Anna University Zonal Volleyball Match, 2024
- Runner-up – Anna University Zonal 20 KM Walk Race, 2024
- Qualified – National Means-cum-Merit Scholarship (NMMS) Examination, 2018

## LEADERSHIP SKILLS

- General Sports Captain of ACCGCET
- Captain – College Volleyball Team
- Coordinator of ZHAGARAM CLUB in ACGCET
