CAREER OBJECTIVE

Final-year B.Tech student in Artificial Intelligence and Data Science with hands-on internship experience in Generative AI, web development, and Java programming. Skilled in Python, C++, Java, and database management, with a strong foundation in data structures, algorithms, and cloud computing. Seeking an entry-level opportunity in AI/Data Science or Software Development to apply technical skills and contribute to real-world projects.

EDUCATION

B.Tech, Artificial Intelligence and Data Science *2023 - 2027 (Final Year)*
Vivekanandha College of Technology for Women

- CGPA: 8.03

TECHNICAL SKILLS

- Programming Languages: Python, C++, Java, C
- Web Development: HTML, JavaScript, PHP
- Core Concepts: Data Structures and Algorithms, Cloud Computing
- Database Management: MySQL, Database Management Systems (DBMS)

INTERNSHIP EXPERIENCE

Web Development Intern *CodeBind Technologies*

- Worked with HTML, C++, JavaScript, PHP, and MySQL to build web-based applications.

Generative AI Intern *Adroit Technologies Innovative Solutions Pvt Ltd*

- Completed a Generative AI internship under the Naan Mudhalvan scheme, gaining practical exposure to AI model development and applications.

Java Development Intern *Tech Volt*

- Gained practical experience in Java programming and application development.

PROJECTS

Business Management System

- Developed a business management system using HTML, C++, JavaScript, PHP, and MySQL to streamline business operations and data handling.

AI-Powered Financial Transaction Fraud Detection System

- Built a system to identify fraudulent financial transactions using AI-based detection techniques.

Spam News Detection

- Created a model to classify and detect spam or fake news content.

Electric Pole Inspection Management System

- Designed a Java-based application to manage and streamline electric pole inspection records and workflows.

CERTIFICATIONS

- Generative AI Internship Certification
- Web Development Internship Certification
- Data Analytics Certification
- Artificial Intelligence Certification

ACHIEVEMENTS & EXTRACURRICULARS

- Participated in the internal Smart India Hackathon (SIH) as a member of Team CodeGenix.
- Attended the workshop on "UI & UX Design" at Kongu College of Engineering and Technology.
- Attended the workshop "Agentic AI & LLMOps: Engineering AI that Thinks, Acts, and Scales."
