PROFESSIONAL SUMMARY

Motivated B.Tech Information Technology student with knowledge of Java, SQL, Excel, Power BI, HTML, CSS and JavaScript. Hands-on experience in web development, data analysis and computer vision through academic projects and internships. A quick learner with strong problem-solving and analytical skills, seeking an entry-level IT opportunity.

EDUCATION

Mahendra Engineering College 2023 - 2027
B.Tech - Information Technology — CGPA: 9.27 (Upto 6th Semester)

Government Higher Secondary School 2021 - 2023
Higher Secondary Certificate (HSC) — Percentage: 85%

Government Higher Secondary School 2020 - 2021
Secondary School Leaving Certificate (SSLC) — Percentage: 100%

TECHNICAL SKILLS

Programming Languages	:	Java , C, JavaScript
Database	:	SQL
Data Visualization	:	Power BI
Tools	:	Eclipse, MySQL Workbench, Microsoft Excel, VS Code
Web Technologies	:	HTML, CSS

PROJECTS

Personal Portfolio Website – October 2026
HTML, CSS, JavaScript

- Developed a responsive portfolio website using HTML,CSS, and JavaScript.
- Showcased personal details, technical skills, education, and projects.
- Implemented smooth navigation and a mobile-friendly design.

Student Performance Analysis using Power BI – September 2026
Power BI, Microsoft Excel, Data Analysis

- Developed an interactive dashboard to analyze student academic performance using Power BI.
- Analyzed exam scores based on gender, school type and study hours to identify performance patterns.
- Created KPI cards, slicers, charts and scatter plots to present meaningful insights.

Real-Time Posture Detection & Ergonomic Assessment System Using BlazePose Algorithm – December 2025
Python, BlazePose, Computer Vision

- Developed a real-time system to monitor and analyze human posture using camera-based pose detection.
- Used the BlazePose algorithm to detect body landmarks and assess posture.
- Identified incorrect posture patterns and provided ergonomic insights for improved posture.

EXPERIENCE

- **Data Analytics Intern** - Live Stream Technologies(Coimbatore) - December 2025
- **Mobile App Development Intern** - Aalan Tech Soft(Salem) - January 2025

ACHIEVEMENTS

- Won a Cash Prize in a College-Level Hackathon organized by the institution.

CERTIFICATES

- **NPTEL Human Computer Interface(HCI) Certification(Elite+Gold:93%)** – Successfully completed HCI course from IIT Madras with distinction in user interface and experience design.
- **Certificate of Completion – Data Analytics** – Successfully completed internship in Data Analytics.
- **Certificate of Completion– MobileApp Development** –Successfully Completed Internship in MobileApp Development.
