B. MITHUNKUMAR

Salem, Tamil Nadu | +91 9965158499 | mithuneswaran2004@gmail.com | linkedin.com/in/mithun-kumar-b-b7111428b

OBJECTIVE

I obtain an entry level position where I can apply my skills in data analytics designing and contribute to the growth of the organization

EDUCATION

Excel Engineering College *2023 – 2026*

B.E. – Computer Science and Engineering | CGPA: 7.6

Excel Polytechnic College *2021 – 2023*

Diploma – Mechanical Engineering | Percentage: 77%

K.R.P Matric Hr Sec School *2020 – 2021*

SSLC | Percentage: 75%

TECHNICAL SKILLS

Languages	Python, JavaScript, HTML, CSS
Technologies	Web Development, Data Analytics, UI/UX Design Frameworks

KEY PROJECTS

Smart Career Guidance Platform Using AI

- Developed a full-stack global job aggregation platform using AI to analyze user profiles and dynamically suggest targeted local and remote opportunities.
- Optimized database search queries to handle thousands of records seamlessly with low latency.

Unified District Dashboard for Real-Time Department Monitoring

- Built a centralized software dashboard to aggregate real-time administrative data from fragmented municipal systems into a single source of truth.
- Streamlined activity tracking and data synchronization to improve inter-departmental operational efficiency.

Smart Waste Management System

- Engineered a web-based responsive simulation layout to monitor and track live logistical data updates.
- Programmed automated notification scripts to optimize resource collection routing and prevent container overruns.

EXPERIENCE & INTERNSHIPS

Stack Queue Salem, TN

Software Engineering Intern (Web Development & Data Analytics)

- **Web Development:** Collaborated on writing clean code and debugging interactive web layouts; utilized Git workflows for team code reviews.
- **Data Analytics:** Created Python-driven data cleaning scripts to filter unorganized system information, directly improving application metrics.

CERTIFICATIONS

• Python Programming Specialist | • Full-Stack Web Development | • Data Analytics Application Architecture

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
