PROFESSIONAL SUMMARY

Detail-oriented Bachelor of Computer Applications (BCA) student with practical web development internship experience and a foundation in Python, HTML, CSS, and JavaScript. Interested in entry-level Software Developer, Python Developer, and Web Developer roles, with a focus on developing reliable applications, writing maintainable code, debugging issues, and continuously improving technical skills.

TECHNICAL SKILLS

Programming Languages: Python
Web Technologies: HTML5, CSS3, JavaScript(Basics)
Database: My SQL
Tools: Visual Studio Code, MS Word
Core Concepts: Problem Solving, Debugging, Application Development

EDUCATION

Bachelor of Computer Applications (BCA) 2023–2026
Periyar Arts College, affiliated with Annamalai University
Relevant coursework: Programming Fundamentals, Web Technologies, Database Concepts, and Computer Applications

Higher Secondary Certificate 2023
Ramasamy Chettiar Town Higher Secondary School

INTERNSHIP EXPERIENCE

Web Development Intern May 2025 – June 2025
MacX Technologies

- Assisted with developing and maintaining web application modules to support application functionality and workflow needs.
- Completed assigned development tasks within deadlines, following project requirements and reviewing work for accuracy.
- Collaborated with team members to identify issues, troubleshoot technical problems, and support debugging activities.
- Gained practical exposure to web development workflows, application testing, and software development practices.

PROJECT

Secure Document File Sharing System with End-to-End Encryption

- Designed a secure document-sharing application concept to support protected file uploads, storage, and retrieval.
- Implemented encryption-related functionality using Python and a cryptography library to protect document contents.
- Developed a responsive user interface using HTML, CSS, and JavaScript, with Flask supporting application functionality.

Technologies: Python, Flask, HTML, CSS, JavaScript, Cryptography Library

CERTIFICATIONS

- Web Development Internship Certificate – MacX Technologies
- Foundation of Coding with Python
- Customer Engagement: Problem Solving and Process Controls

SOFT SKILLS

Problem Solving | Communication | Teamwork | Adaptability | Leadership | Time Management
