Profile

B.E. Computer Science and Engineering student (CGPA 8.4/10) with hands-on experience building mobile apps in React Native/Expo and full-stack apps on the MERN stack. Shipped an AI-powered healthcare application with OCR-based report analysis. Seeking fresher software developer opportunities to apply technical skills and grow as a software developer.

CGPA : 8.4/10

T.P.S Perhinda : Class XII, Bihar Board (2023)

U.H.S Sabalbigha : Class X (2021)

Education

Sengunthar Engineering College (Autonomous) 2023 – 2027

Bachelor of Engineering (B.E.) in Computer Science and Engineering

Anna University, Namakkal Dt., Tamil Nadu, 7th Semester

Technical Skills

Languages : JavaScript, HTML, CSS, SQL

Frontend : React.js, React Native, Expo

Backend : Node.js, Express.js, REST APIs

Database : MongoDB

Tools : Git, GitHub, VS Code

Cloud / DevOps : AWS, Linux, Docker, CI/CD

Spoken : English, Hindi, Arabic

Projects

Care-Vision AI 2024

React Native · Expo · AI/ML · OCR · MERN

- Built an AI-powered healthcare application that analyzes medical reports and delivers personalized health insights.
- Designed end-to-end workflows: report upload, OCR/data extraction, manual health-data entry, health scoring, disease-risk assessment, and recommendations.
- Architected mobile + backend using React Native (Expo) with a MERN-based API and data layer.

GitHub: github.com/parvejansari80708-sketch/care-vision-ai

Hostel Management System 2025

React Native · Database · REST API

- Developed a hostel management solution covering student records, room allocation, and attendance/entry management.
- Built admin workflows for creating rooms and managing student records; structured the app around reusable components and a mobile-friendly experience.

Cloth Shop / Inventory App 2026

React Native · JavaScript · Database

- Designed an inventory-management application helping shop owners monitor products, stock levels, and restocking needs.
- Planned dashboards and inventory workflows for faster product tracking and stock decisions.

Achievements

- Secured 1st Prize in 3 out of 4 technical symposiums/presentations participated in.
