MOHAMMED UMAR F

Aspiring Cloud DevOps Engineer | Python, SQL, AWS, Git

Bangalore, India | +91 7305855132 | mohammadumar0125@gmail.com | linkedin.com/in/mohammedumar07

PROFESSIONAL SUMMARY

Computer Science graduate (B.Sc., 2026) seeking an entry-level Cloud DevOps Engineer role. Hands-on experience with Python, SQL, JavaScript (ES6), Git and GitHub, plus working knowledge of Amazon Web Services (AWS) fundamentals: compute, storage and networking. Strong interest in CI/CD pipelines, automation, containers, observability, reliability engineering and cloud security. Systematic troubleshooting and root-cause analysis skills built through aircraft maintenance engineering training in a safety-critical, procedure-driven environment. Eager to learn from senior engineers and support reliable, scalable cloud services.

TECHNICAL SKILLS

- **Programming and Scripting:** Python, SQL, JavaScript (ES6)
- **Cloud:** Amazon Web Services (AWS) fundamentals - compute, storage, networking
- **Version Control:** Git, GitHub
- **Practices:** Debugging, troubleshooting, root-cause analysis, technical documentation, runbooks, incident response fundamentals
- **Learning / Areas of Interest:** CI/CD, Docker, Kubernetes, Terraform (Infrastructure as Code), Jenkins, monitoring and observability, Apache Kafka, microservices, cloud security

WORK EXPERIENCE

Aircraft Maintenance Engineer Intern | Deccan Private Limited Company | Nov 2023 - Dec 2023

- Supported Airbus A320 maintenance in a safety-critical, procedure-driven environment where reliability and accuracy are essential.
- Applied systematic troubleshooting and fault diagnosis, following technical documentation and maintenance standards precisely; skills that transfer to incident response, runbooks and production operations.

PROJECTS

Personal Portfolio Website | HTML5, CSS3, JavaScript (ES6), Git, GitHub | 2026

- Designed and built a mobile-first, responsive portfolio website as part of the Besant Technologies program.
- Managed source code with Git and GitHub, applying version control best practices such as commits, branching and documentation.

EDUCATION

- **Bachelor of Science (B.Sc.) in Computer Science** | Bharathidasan University, Trichy, India | 2026
- **Full Stack Developer Certification** | Besant Technologies | 2026 (In Progress)
- **Diploma in Aviation (Aircraft Maintenance Engineering)** | Vinayaka Mission Aviation Academy | 2021 - 2024

CORE COMPETENCIES

- Python and SQL for scripting, automation and data handling
- Systematic debugging and root-cause troubleshooting
- Following runbooks, standards and documented procedures with high accuracy
- Collaboration, clear communication and a fast, hands-on learning mindset

LANGUAGES

English (Fluent), Tamil (Native), Urdu (Fluent), Hindi (Fluent), Malayalam (Conversational)
