Theni — LinkedIn Profile

Profile Summary

Enthusiastic Biomedical Engineering student with a strong foundation in biomedical instrumentation, basic electronics, and healthcare technology. Skilled in troubleshooting and familiar with tools like multimeter and Arduino at a basic level. Possesses a good understanding of human anatomy and medical device fundamentals. Gained industrial exposure through a visit to Atheenapandian Pvt. Ltd., developing insight into real-world engineering practices. A quick learner with strong teamwork, leadership, creativity, and problem-solving skills, eager to contribute effectively to Atheenapandian Pvt. Ltd.

Technical Skills

- Biomedical Instrumentation
- Medical Device Manufacturing (Basics)
- Basic Electronics & Troubleshooting
- Healthcare Technology
- Human Anatomy & Physiology

Tools & Technologies

- Multimeter, Oscilloscope (Basics)
- Arduino (Basic Level)

Soft Skills

- Teamwork
- Leadership
- Creativity
- Hardworking

Internships

Schneider Electric Pvt. Ltd., Chennai
Engineering Intern June 2025 – July 2025

- Gained exposure to Industrial Automation and Electrical Systems
- Worked on Engineering Documentation and Preventive Maintenance
- Learned Workplace Safety practices

Kovai Diagnostic Lab, Tiruppur
Diagnostic Intern June 2026 – July 2026

- Observed diagnostic procedures and lab equipment handling
- Gained basic knowledge of medical testing processes

Mini Projects

Smart Posture Correction System

- Designed a system to monitor and correct posture using sensors
- Provided real-time feedback to improve posture

Heart & Kidney Functional Model

- Developed a model demonstrating heart and kidney functions
- Explained biomedical applications in circulation and filtration

Education

B.E. Biomedical Engineering
Annapoorana Engineering College
CGPA: 8.57/10 Expected Graduation: 2027

Certifications & Presentations

- NPTEL Certification in Healthcare Entrepreneurship (93%) – Jan–Apr 2026
- Paper Presentation on "Artificial Organs" – Oct 2024
- Paper Presentation on "Tree-Hunt Connection" – Mar 2025
- Presented "Smart Posture Correction System" – Mar 2025
- Industrial Visit – Atheenapandian Pvt. Ltd., Aug 2025

Workshops

- Calibration of Biomedical Equipment – Mar 2026
- Application of Ultrasound Machine – Oct 2025
- Equipment Handling, Maintenance & Troubleshooting (3 Days) – May 2026
- Disaster Awareness Programme – Aug 2025
- Project/Prototype Expo – Sep 2025

Achievements

- Zonal Winner(Salem) – Basketball, AEC Arena 2K26 (2025–2026)
- Participated in Disaster Awareness Programme conducted by Sri Sathya Sai Seva Organizations, Tamil Nadu (23 August 2025)

Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
