B. MITHUNKUMAR

Salem, Tamil Nadu | +91 9965158499 | mithuneswaran2004@gmail.com | linkedin.com/in/mithun-kumar-b-b7111428b

PROFESSIONAL SUMMARY

Computer Science and Engineering graduate (B.E., 2026) with hands-on experience in web development and data analytics gained through an internship and three projects. Skilled in Python, JavaScript, HTML and CSS, with experience building full-stack web applications, real-time dashboards and Python data-cleaning scripts. Seeking an entry-level Software Engineer or Data Analyst role to apply technical skills and contribute to team goals.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML, CSS
Web Development: Full-Stack Development, Responsive Web Design, UI/UX Design
Data Analytics: Data Cleaning, Data Aggregation, Dashboard Development
Tools & Practices: Git, Code Reviews, Debugging

EXPERIENCE

Software Engineering Intern (Web Development & Data Analytics)
Stack Queue, Salem, Tamil Nadu

- Built and debugged interactive web layouts with a team using front-end technologies; followed Git workflows for code reviews.
- Wrote Python scripts to clean and filter unorganized system data, improving the quality of data used by the application.

PROJECTS

Smart Career Guidance Platform Using AI

- Developed a full-stack job aggregation platform that uses AI to analyze user profiles and recommend relevant local and remote opportunities.
- Optimized database search queries to retrieve results from thousands of records with low latency.

Unified District Dashboard for Real-Time Department Monitoring

- Built a centralized dashboard that aggregates real-time administrative data from fragmented municipal systems into a single source of truth.
- Streamlined activity tracking and data synchronization to improve inter-departmental operational efficiency.

Smart Waste Management System

- Developed a responsive web-based simulation to monitor and track live logistics data updates.
- Programmed automated notification scripts to optimize waste collection routing and prevent container overflow.

EDUCATION

B.E. Computer Science and Engineering | CGPA: 7.6 2023 – 2026
Excel Engineering College

Diploma in Mechanical Engineering | 77% 2021 – 2023
Excel Polytechnic College

SSLC | 75% 2020 – 2021
K.R.P Matric Hr Sec School

CERTIFICATIONS

- Python Programming Specialist
- Full-Stack Web Development
- Data Analytics Application Architecture
