PROFESSIONAL SUMMARY

Final year Electronics and Communication Engineering student with a strong foundation in digital electronics, embedded system, and circuit design. Hands-on experience with Xilinx vivado, Arduino and ESP32 through academic projects, workshops and internships.

EDUCATION

Bachelor of Engineering in Electronics and Communication Engineering |2023-2027|
Annapoorana Engineering College, Salem
Cumulative Grade Point Average (CGPA): 7.8

Higher Secondary Education |2022-2023|
Government Boys Higher Secondary School, Komarapalayam.
Percentage : 56%

Secondary Education |2020-2021|
Government Boys Higher Secondary School, Komarapalayam.

TECHNICAL SKILLS

- **Hardware & Embedded Systems:** Embedded Systems, IoT Fundamentals, Infrared (IR) Sensor Integration
- **Hardware Description & VLSI:** Verilog HDL (Basics), VLSI Design Concepts
- **Programming Languages:** C Programming (Basics)
- **Tools & Environments:** Xilinx Vivado , Cisco Packet Tracer
- **Professional Competencies:** Problem Solving, Critical Thinking, Team Leadership

ACADEMIC PROJECTS

IR Based Object Counter Academic Project

- Designed an automated detection and counting circuit utilizing infrared (IR) sensor pairs to register moving objects
- Implemented logic for signal conditioning and accurate pulse counting to prevent false trigger events
- Handled breadboard prototyping, component selection, and circuit validation

INTERNSHIP EXPERIENCE

UPS Service Intern SS Systems, Coimbatore

- Shadowed senior service engineers in regular field maintenance and inspection of commercial UPS power systems
- Assisted in hardware diagnostics, circuit continuity testing, and fault isolation for power supply units
- Gained practical understanding of power electronics safety standards, battery banks, and operational upkeep

CERTIFICATIONS & TRAINING

- **Hands-on Training Program on Verilog HDL Using Xilinx Vivado** – Paavai Engineering College, Salem (2026)
- **Hands-on Training Program on Beam Steering Antenna and Techniques Using HFSS-**M.Kumarasamy College Of Engineering (2026)
