GAUTAM KUMAR

Graduate Trainee Engineer | Electronics & Communication Engineering | Embedded Systems & IoT
Simri, Bihar, India | Phone: 9625976816 | Email: sidharthkr962597@gmail.com
LinkedIn: linkedin.com/in/gautamkumarece

PROFESSIONAL SUMMARY

Final-year B.E. Electronics and Communication Engineering student with knowledge of Embedded Systems, IoT, Arduino, ESP32, sensor interfacing, and Python basics. Developed academic projects in smart agriculture monitoring, automated irrigation, and an ESP32-based AI assistant. Completed IoT industrial training and an NPTEL course on the Internet of Things. Seeking a Graduate Trainee Engineer role to apply technical skills and learn through practical engineering work.

EDUCATION

Bachelor of Engineering (B.E.) – Electronics and Communication Engineering
Sengunthar Engineering College (Autonomous), Tiruchengode, Tamil Nadu | 2023 – 2027 | CGPA: 7.67
Class XII (2023) – +2 High School, Kathar Khurd, Buxar, Bihar
Class X (2021) – GSVM +2 High School, Kathar Khurd, Buxar, Bihar

TECHNICAL SKILLS

- **Embedded Systems:** Arduino, ESP32, Microcontrollers
- **Electronics:** Digital Electronics, Sensors and Interfacing
- **IoT & Automation:** IoT Development, Environmental Monitoring, Automated Irrigation
- **Programming:** Python Basics, Embedded C
- **Tools:** Arduino IDE, Python tools

PROJECTS

ESP32 AI Assistant (Embedded Systems, IoT, AI)
- Designed and developed a voice-enabled AI assistant using ESP32 and web technologies.
- Implemented voice commands, automated responses and basic automation tasks through a browser-based interface.

Smart Closed Environment Agriculture Monitoring and Leaf Disease Detection System Using Arduino (IoT, AI)
- Developed an IoT-based smart agriculture system using Arduino with soil moisture, temperature, humidity and air quality sensors.
- Automated irrigation by continuously monitoring environmental conditions.
- Integrated AI-based leaf disease detection for early identification of plant diseases, improving crop health and productivity.

INDUSTRIAL TRAINING AND CERTIFICATIONS

- **Industrial Training in IoT** – OdugaaTech Pvt. Ltd., 19–26 Nov 2025 (7 days)
- **Introduction to Internet of Things** – NPTEL (IIT Kharagpur), Jan–Apr 2025, Elite certificate, score 70%
- **Course on Soft Skills Level-1** – Alpha Tech Academy, 2023 (36 hours): communication, team building, time management, decision making

PAPER PRESENTATIONS AND ACHIEVEMENTS

- **Technovanza 2K25** (State Level), Shree Venkateshwara Hi-Tech Engineering College, 21 Mar 2025 – Presented paper: *Design and Implementation of IoT Based Smart Home Automated System*
- **Electroswaggers 2K25** (National Level), PGP College of Engineering and Technology, 28 Mar 2025 – Paper Presentation

LANGUAGES

Hindi, English

DECLARATION

I hereby declare that the information given above is true to the best of my knowledge.
