

# POOVARASAN C

poovarasanc76@gmail.com +91 8838516013 Namakkal
github.com/poovarasanc33

## OBJECTIVE

Aspiring Full Stack Developer with a strong foundation in web development technologies, seeking an opportunity to apply technical skills in designing and developing scalable, user-friendly applications while contributing to organizational growth and innovation.

## EDUCATION

**B.E Computer Science and Engineering**
K.S.R. College of Engineering, Namakkal CGPA:6.5/10 2023 – Present

**Diplamo of Electric and Electronic Engineering**
K.S.Rangasamy Institute of Technology,Tiruchengode. CGPA:8 2021 – 2024

**Secondary School Leaving Certificate**
Nalandas Higher Secondary School. Percentage: 100% 2020 – 2021

## TECHNICAL SKILLS

**Programming:** Java,Python
**Web Development:** HTML, CSS, JavaScript
**Database:** MySQL

## PROJECTS

**Portfolio Website**

- Designed and developed a personal portfolio website using HTML and CSS, featuring multiple sections (Home, About, Projects, skills, Contact) with a clean layout and easy navigation.

**Job Portal**

- Built a responsive Job Portal web application using HTML, CSS, and JavaScript, featuring job listings, real-time search/filter functionality, and an interactive user interface.Implemented client-side job search and application features, enhancing user experience through dynamic DOM manipulation and event handling.

**Dodge the Blocks**

- Developed an interactive browser-based game using HTML, CSS, and JavaScript, implementing real-time rendering, keyboard controls, collision detection, and dynamic obstacle generation. Designed a complete game loop with scoring, animations, and user interaction, optimizing gameplay performance with requestAnimationFrame and modular JavaScript logic.

**Gamified Learning Platform(In Progress)**

- Developed a web-based Gamified Learning Platform that enhances student engagement by integrating quizzes, rewards, leaderboards,and achievement badges. The system motivates learners through interactive challenges and real-time performance tracking.

## INTERNSHIP EXPERIENCE

**Cloud Computing Intern — Thiran 360 AI** July 2024

- Acquired foundational knowledge in cloud computing concepts, service models, and deployment strategies. Explored cloud platforms and understood infrastructure management and virtualization basics.Learned about scalability, data storage solutions, and security practices in cloud environments.

## CERTIFICATIONS

- NPTEL Certified: Successfully completed advanced coursework in Industrial IoT (IIoT).
