NANDHINI R

B.TECH – ARTIFICIAL INTELLIGENCE & DATA SCIENCE | FRESHER

📍 Karur, Tamil Nadu • 📞 +91 9159596102 • ✉ nandhinirathinam10@gmail.com

CAREER OBJECTIVE

Motivated and hardworking B.Tech Artificial Intelligence and Data Science student seeking an entry-level opportunity to apply my knowledge in web development, web applications, machine learning, and databases. Eager to learn new technologies, improve technical skills, and contribute effectively to organizational growth.

PROJECT / IDEA PITCH

AI-Based Food Waste Analysis & Management System

- Presented an innovative AI-driven framework designed to analyze and minimize food waste across large-scale food service setups.
- Utilized data patterns from food preparation, serving, and disposal stages to optimize inventory and operational efficiency.
- Designed predictive models using AI/ML techniques to forecast future consumption and facilitate data-backed food management decisions.
- Conceptualized an interactive monitoring dashboard tailored for hotels, restaurants, colleges, and canteens.

INTERNSHIP

Web Development Intern

Codebind Technologies, Coimbatore

- Gained hands-on practical exposure to front-end and web application development concepts.
- Enhanced technical problem-solving skills through real-world development tasks and practical workflows.
- Collaborated effectively in a professional working environment and adhered to project timelines.

ACHIEVEMENTS & ACTIVITIES

- **Hackathon Participant:** Actively collaborated in fast-paced coding events to solve competitive technical challenges.
- **Paper Presentations:** Presented technical research and innovative ideas at academic forums.
- **Idea Pitch:** Successfully delivered a detailed pitch on AI-Based Food Waste Management.

EDUCATION

B.Tech – AI & Data Science
Vivekanand College of Technology for Women
CGPA: 7.99 / 10

Higher Secondary (12th)
Percentage: 65%

SSLC (10th)
Status: Passed

TECHNICAL SKILLS

Web Development | Web Applications | Machine Learning Basics | MySQL | Oracle | GitHub | Git Version Control

SOFT SKILLS

Communication | Teamwork | Problem Solving | Quick Learner | Positive Attitude | Hardworking

HOBBIES

🎨 Painting | ♟ Playing Chess | ✏ Pencil Art
