## *Objective*

Career Objective
Enthusiastic Electronics and Communication Engineering student seeking an entry-level opportunity in the ECE field to apply my knowledge of basic electronics, electronic hardware, and embedded systems. Eager to gain hands-on experience in circuit design, hardware testing. Arduino, ESP 32, there are hands on experience and microcontroller-based applications while contributing to engineering projects and enhancing my technical expertise.

## *Education*

***Anna University***
B.E -Electrical And Communication Engineering
2023-2027 — **8.21**

***Government Higher Secondary school***
Higher Secondary
2022-2023 — **7.34**

## *Technical Skills*

Technical Skills
Communication skill
Basic Programming languages
Python, C
Embedded system
Iot technology

## *Interests*

New creativity
professional development
Reading

## *Language*

Tamil
English

## *Hobbies*

Reading books
Spending time with family members
Listen spoken english

## *Soft Skills*

Adaptability
Teamwork & Collaboration
critical thinking

## *Certification*

NPTL Certificate ,
CyberSecurity workshop certificate,
Embedded system
Intership certificate
Type writing certificate

## *Internship*

•Embedded System
•Web Development

## *Declaration*

I hereby declare that the information furnished above is true to the best of my knowledge
