DEEPAK ARIVAZHAGAN

Full Stack Developer Intern

aadeepak2506@gmail.com|+916383-586-389|github.com/aadeepak2506-lab| TamilNadu ,IN

PROFESSIONAL SUMMARY

Software development intern with 6 months of hands – on experience at Smartworkz, building full stack web applications using React.js, .NET, and SQL. Developed a badminton court booking application with end-to-end functionality and designed a business website for Dum Dum Mahal, a wedding hall venue. Skilled in front-end development, backend API integration, and database management, with a strong focus on delivering functional, user-friendly solutions.

SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js

Backend: .NET Basics, API Integration (GET, POST, PUT, PATCH, DELETE)

Database: SQL

Tools: GitHub, Postman, AWS Basics

AI Tools: ChatGPT, Claude Code, Cursor

WORK EXPERIENCE

Full Stack Developer Intern – Smartworkz

Jan 2026 – June 2026

- Built a Badminton Team Management platform end-to-end using React.js, .NET, and MSSQL.
- Developed 10+ secure REST API endpoints with authentication for core app modules.
- Added real-time score tracking and tournament analytics in agile sprints.
- Deployed application on AWS (EC2, S3) with CI/CD for reliable releases.

PROJECTS

Badminton Score & Tournament Management App

React.js | .NET | MSSQL Server | AWS | CI/CD Production

- End-to-end platform delivering real-time scoring, player stats and tournament bracket management at scale.
- Secured with JWT authentication and role-based access control.
- Database queries optimized for better performance, responsive UI built with React Hooks and centralized state management.

Dum Dum Mahal —Business Website

React.js | HTML5 | CSS3

- Responsive business site with SEO-friendly structure, product showcase, and mobile-first design, optimized for fast loading performance.

CERTIFICATIONS

- AWS Academy Cloud Architecting – Infosys Foundation
- Oracle Java Foundations Certification – 2024
- Google Cloud Community Day 2023 Workshop – Infosys Campus, Bangalore
