ARUN VIGNESH V

Aspiring Data Analyst | Python Developer | Software Engineer

Salem, Tamil Nadu - 636030 | +91 8248583695 | arunvignesgv10@gmail.com

SUMMARY

Final-year B.Tech student in Artificial Intelligence and Data Science with hands-on experience in Python, SQL, and data cleaning through applied AI projects. Skilled in translating raw data into actionable insight and building working prototypes end to end, from data collection to model implementation. Seeking an entry-level role as a Data Analyst, Python Developer, or Associate Software Engineer to apply strong analytical thinking and problem-solving skills to real-world engineering challenges.

TECHNICAL SKILLS

Programming Languages: Python (basic), SQL

Data & Analytics: Data Cleaning, Exploratory Data Analysis, Pattern Recognition

Machine Learning: Classification, Regression, Feature Engineering, Content-Based Filtering

Databases: SQL Querying, Joins, Subqueries.

PROJECTS

Hand Gesture Controlled Mouse Cursor — *Python, OpenCV, Computer Vision*

- Built a real-time computer vision system that maps hand-finger positions to screen coordinates, replacing physical mouse input with contactless gesture control.
- Implemented gesture-to-action logic supporting cursor movement plus left/right click detection, improving accessibility for hands-free human-computer interaction.

Movie Recommendation System — *Python, Content-Based Filtering*

- Designed and implemented a content-based filtering engine that recommends similar movies from user input, applying feature similarity techniques to unstructured data.
- Structured the recommendation pipeline for easy extension to larger datasets and additional similarity metrics.

EDUCATION

Paavai College of Engineering — B.Tech, Artificial Intelligence and Data Science 2022 – 2026
CGPA: 7.4 / 10

Sri Ramakrishna Sarada Hr. Sec. School — Higher Secondary (HSC) 2022
Scored 75%

ST Vincent Pallotti Matriculation Hr.sec .School — SSLC 2020
Scored 76%

AREAS OF INTEREST

Video Editing • Graphics Designing • Product Designing • telegraphy
