CAREER OBJECTIVE

Electronics and Communication Engineering graduate with a strong interest in Embedded Systems and Hardware Engineering, with hands-on training in Embedded C, microcontrollers, GPIO, timers, and hardware interfacing. Possess strong problem-solving skills and a passion for embedded technology, with a keen interest in applying technical knowledge to real-world engineering projects.

EDUCATION

SNS College of Technology | Coimbatore, Tamil Nadu

B.E. - Electronics and Communication Engineering | CGPA : 8.67

K.S.R Matric Hr. Sec. School | Namakkal, Tamil Nadu

HSC – 82% | April 2022 | SSLC – 90% | May 2020

SKILLS

Programming languages: C | Embedded C | C++

Embedded Systems: ARM7 - LPC2129 | Microcontrollers | GPIO | LED & Switch Interfacing | Timers

Soft Skills: Team work | Adaptability | Problem Solving | Time Management

Tools & Technologies: Keil | Linux | GitHub

PROJECTS

Real-Time AQI Visualizer & Emission Pattern Validation System | Developed a system to monitor and visualize real-time air quality data and validate emission patterns using machine learning. | **Tools/Technologies:** ESP32 Microcontroller | PM2.5 Sensors | Machine Learning | CNN

Automotive Timer Circuit | Designed a multi-delay timer circuit with 5, 10, and 30-minute delay options, triggered by a vehicle ignition switch to control delayed electronic operations in automotive systems. | **Tools/Components:** CD4541B Timer IC | Resistors | Capacitors | Transistor | Easy EDA

INTERNSHIPS

VVDN Technologies | Hardware Engineer | On-site | Oct 2025 – Mar 2026
Mobitech Wireless Solutions | Hardware Developer | On-site | Dec 2024 | 10 days

LANGUAGES

Tamil | English | German(Beginner)

TECHNICAL TRAINING – VECTOR INDIA, BANGALORE

Embedded Systems Training | 2026 – Present

- Embedded C and C programming
- Hands on Experience in ARM7 LPC2129 Microcontroller
- Hands on Experience in GPIO, LED and Switch Interfacing
- Timers and Delay Programming
- Basics of Analog and Digital Electronics
- DC-DC Converters – Buck & Buck-Boost
- LDO Regulators and Power Supply Design
- CD4541B / MC14541B Timer IC

ACHIVEMENTS & CERTIFICATIONS

Academic Achievement: Top 10 in ECE Branch | 1st Sem,8th Sem– Class Topper | 3rd Sem,5th Sem ,6th Sem – Class 3rd Topper

Paper Presentation: Spring Fest – KSRCE | Avantaa'24 – SKCT | Ignis'23 – BIT

Hackathon: Smart India Hackathon (SIH) 2024 | SIH 2023 | Unstop

Social Activities: Volunteered in Blood Donation and Eye Check-up Camps conducted by the Youth Red Cross, SNS College of Technology – 2023 & 2024.

Sports: Participated in State-Level Throwball Matches | First Place in District-Level Throwball Matches at KGISL and PPG College | Second Place in Centies Matches – 2026 & 2025 &2024
