# GOKULAPRIYAN S

Erode, India | 9361216764 | gokulapriyansenthil@gmail.com | linkedin.com/in/gokulapriyansenthil

## PROFILE

AWS Global Certified B.Sc. Computer Science student with hands-on training in cloud computing fundamentals, including EC2, VPC, IAM, Route 53, Lambda, EBS, and S3, along with Python programming. Completed a cloud computing internship focused on practical deployment and resource management. Combines academic project experience with growing exposure to Linux, networking, and version control, and is looking to contribute as an entry-level Cloud/DevOps engineer.

## TECHNICAL SKILLS

**Cloud:** AWS (EC2, VPC, IAM, Route 53, Lambda, EBS, S3)

**Programming:** Python (MSME Certified)

**Operating Systems:** Linux, Windows

**Version Control & Tools:** Git, GitHub, VS Code

**Networking & Systems:** Networking Fundamentals, Subnetting, System Administration

## PROJECTS

**Campus Mentor**

- Conceptualized and structured a digital mentorship platform designed to connect alumni with current students for peer-to-peer guidance.
- Designed a single-page PDF guide consolidating structured academic roadmaps, career tips, and resource directories to support student knowledge-sharing.

## EXPERIENCE

**Cloud Intern – Litz Tech** *Coimbatore, India*

- Completed a 15-day hands-on training program in cloud computing fundamentals, gaining practical exposure to cloud deployment and resource management.
- Studied core AWS services and cloud infrastructure concepts as part of an intensive, project-oriented training curriculum.
