OBJECTIVE

Aspiring Data Analyst Trainee with proficiency in Python, SQL, Data Visualization, and MS Office. I have completed a Data Science course at QSpiders Institute to strengthen my analytical, statistical, data handling and problem-solving capabilities.

EDUCATION

BE. Electronics And Communication Engineering – (CGPA: 8.6)
Year - (2022-2026)
Vidyaa Vikas College of Engineering and Technology-Namakkal.

Higher Secondary Certification – (88 %)
Year - 2022
Jaycees Matric.Hr.Sec.School-Tiruppur.

Secondary School Leaving Certification – (98 %)
Year - 2020
Jairupaa Matriculation School-Tiruppur.

INTERNSHIP

Python Programming – Codtech IT Solutions:

Completed a **4-week** internship in python, developed practical skills in writing efficient code, debugging and applying Python for real-world data related tasks.

TVS Sundram Fasteners Limited – Hosur:

Completed a **one-month** internship in TVS, Acquired knowledge of industrial production processes and quality control system. Observed practical implementation of Manufacturing assembly line techniques.

SKILLS

- Programming Language: Python
- Database: SQL
- Data Visualization: Power BI
- Concepts: Object-Oriented Programming (OOP)
- Tools & Platforms: GitHub, VS Code
- Data Tools: MS Excel (Functions, Data Handling)
- Others: MS Word, PowerPoint

PROJECTS

Sales Performance Dashboard | Power BI , SQL:

Designed a dynamic sales dashboard to track revenue, profit and customer trends using Power BI and SQL. Improved business visibility with KPI tracking and drill-down analysis for better decision making.

Osteo Sentinel - IoT & ML based Fracture Prediction:

Built an end-to-end data analytics pipeline for real-time sensor data collection, cleaning and cloud-based analysis. Designed and deployed a Machine Learning model to identify fracture risk patterns and support decision making.

CERTIFICATIONS

- Completed **Python** course in **GUVI**.
- Completed **Data Science** course at Qspiders Institute
- Completed **Data Analytics** course in Novitech R&D.

PARTICIPATION

- Attended a Workshop on the Battery Technology for Electric Vehicles at Kongu Engineering college, Erode.
- Presented a Technical Paper on Biometric Authentication in Embedded system at Muthayammal Engineering College, Namakkal.

VOLUNTEERING

Annual Day Coordinator:
Volunteered and organized a cultural event at college level.

Kiddathon Volunteer:
Volunteered in Kiddathon, contributing to event setup, participant support and smooth execution.

ACHIEVEMENTS
