SABHARISH T

MCA Graduate | Software Developer | Full-Stack Web Development

Tiruchengode, Tamil Nadu • +91 93426 21701 • sabharithangam2016@gmail.com

PROFESSIONAL SUMMARY

Motivated MCA graduate with a strong foundation in programming, software development, and database management, backed by hands-on internship and project experience. Skilled in full-stack web development, problem-solving, and working across the software development lifecycle. Seeking to contribute to a software development team and build a long-term career in the IT industry.

CORE COMPETENCIES

Programming & Problem Solving	Data Structures & Algorithms	Object-Oriented Programming
Full-Stack Web Development	Database Management (SQL)	Software Development Lifecycle
Git & Version Control	Agile / Scrum Practices	Analytical & Debugging Skills

INTERNSHIP EXPERIENCE

Cybersecurity Intern *Jan 2026 – Apr 2026*

Arete IR, Hyderabad

- Compiled structured daily/weekly reports summarising key metrics, patterns, and observations for stakeholders.
- Documented findings and maintained accurate, organized records in accordance with team procedures.
- Collaborated with senior team members, escalating findings and coordinating on timely resolution of issues.

KEY PROJECTS

AI-Based SOC Alert Management System *2024 – 2025*

Academic Capstone | MCA – Coimbatore Institute of Technology

- Built a full-stack web platform using React.js (frontend), Python Flask (backend), and MySQL (database).
- Integrated ML-based anomaly detection to automate alert prioritisation and reduce false positives.
- Implemented real-time monitoring, data tracking, and secure role-based authentication.
- Collaborated across the stack to design, build, and test end-to-end application workflows.

Invoice Management System

React.js, JavaScript, Tailwind CSS

- Built a responsive invoice management application with upload/preview, manual data extraction, validation, CRUD operations, search/filtering, and PDF export.
- Implemented automatic CGST, SGST, IGST, tax, discount, and grand-total calculations with structured invoice records stored in Local Storage.
- Developed reusable React components and responsive UI for the invoice dashboard, upload, list, and detail views.

EDUCATION

Master of Computer Applications (MCA) *2024 – 2026*

Coimbatore Institute of Technology, Coimbatore | CGPA: 7.27

B.Sc. Computer Science *2021 – 2024*

Dr. G.R. Damodaran College of Science, Coimbatore | CGPA: 7.70

TECHNICAL SKILLS

Languages: Python, Java, C, C++, JavaScript

Web Technologies: HTML5, CSS3, React.js, Tailwind CSS

Database: MySQL

Tools & Others: Python Flask, Git, VS Code, REST APIs, Agile / Scrum
