SECONDARY SCHOOL

SKILLS

- I have currently pursuing my basic training in Medical Coding
- Human Anatomy
- Human Physiology
- Medical Terminology
- Medical Billing
- ICD-10-CM
- Fundamental of healthcare documentation

LANGUAGES

- English
- Tamil

SUMMARY

A motivated Medical Coding professional with a strong foundation in ICD-10, CPT, and HCPCS coding systems. Skilled in understanding medical documentation, learning accurate code assignment, and supporting healthcare reimbursement processes. Quick learner with strong analytical skills and attention to detail, committed to maintaining quality and accuracy in medical coding.

WORK EXPERIENCE

ACHIEVEMENTS

- During The Year 2023-2024 Participated In" SONA MANAVAR KURAL - PESALAAM VAANGA" And Won Thousand Rupees Cash Price.
- Has awarded Second Prize in SINGING. in the Intermural meet organized by the Department of Microbiology.
- Participated in THEMMANKU PATTU Held On 19 February 2023, Organized By Periyar University Salem

INTERNSHIP

Completed an internship at **Vee Healthtek Private Limited** from 16 June 2025 to 27 June 2025, gaining practical exposure to professional work environments and industry practices. Developed technical problem-solving abilities, communication skills, and teamwork through hands-on learning activities and task-based assignments. The internship also provided valuable experience in understanding organizational workflows and professional responsibilities.

PROJECT

Evaluation of Growth, Nutritional, Anti-Nutritional and Anti-Microbial Activity of Microgreens on Vermicompost Substrate (Brassica nigra)

Conducted a research-based project on the cultivation and analysis of Brassica nigra microgreens using vermicompost substrate. Studied growth performance, nutritional composition, anti-nutritional factors, and antimicrobial activity to evaluate the effectiveness of organic cultivation methods. Gained experience in experimental analysis, data collection, laboratory techniques, and interpretation of biological research results.
