RANJITHKANNA S

BIOMEDICAL ENGINEER

Salem , Tamilnadu | 9025020111 | ranjithkanna282005@gmail.com | linkedin.com/in/ranjithkanna-s-eng

PROFILE SUMMARY

Enthusiastic and motivated Biomedical Engineering graduate with a strong foundation in medical devices, biomedical instrumentation, healthcare technologies, and engineering principles. Eager to begin a professional career where I can apply my technical knowledge, analytical thinking, and problem-solving skills to contribute to innovative healthcare solutions. A quick learner, adaptable team player, and committed to continuous learning and professional growth.

EXPERIENCE

1.AMMANI HOSPITAl - 2025
2.THIRU NEURO FOUNDATION - 2026

INTERNSHIP

Learned to identifiy equipment faults and assisted in basic repairs under the guidance of senior engineers .

- Assisted senior technicians in the inspection and maintenance of medical equipment.
- Assisted in troubleshooting and repair of medical equipment under supervision.
- Gained practical exposure to equipment servicing and preventive maintenance.
- Learned basic hospital equipment safety and maintenance procedures

EDUCATION

Bachelor of Engineering in biomedical Engineering

AVS Engineering College , Anna University - 2022 - 2026

CGPA - 8.1

SKILLS

Soft Skills

- problem solving , communication skills
- Teamwork , Time Management

Technical skills

- Biomedical Instrumentation
- Medical Device Technology

ACHIEVEMENTS

- 7th International Conference on Smart Systems and Inventive Technology ICSSIT 2026
- Paper ID - ICSSIT - 828
- Paper Title: Intelligent IoT Framework with Neuromorphic and Graph Learning for Real-Time Coma Patient Movement Monitoring
