CAREER OBJECTIVE

Dynamic and motivated Business Development professional with hands-on internship experience in lead generation, email marketing, B2B sales, SaaS sales, and market research. Demonstrated ability in supporting strategic alliances and expanding market presence, I am committed to delivering impactful business solutions. My strategic mindset and collaborative approach empower me to contribute to sustainable growth and build valuable relationships. Eager to leverage my internship experience and insights to create value and contribute to organizational success in the fast-paced IT landscape.

INTERNSHIP EXPERIENCE

Business Development Intern **March 2026 - Present**

CogentNext Technologies Pvt Ltd, Chennai

CogentNext Technologies is a dynamic IT solutions provider specializing in cutting-edge software development and digital transformation services. It is an ERP & CRM Software provider company.

- **Market Research and Analysis:** Assisted in conducting market research to identify new business opportunities. Analyzed market trends and competitor offerings. Gathered customer feedback and insights for product/service enhancement. Gained exposure to LinkedIn and other job portals, with exposure to US, UK, Australia, South Africa and global markets.
- **Lead Generation:** Supported prospecting of potential clients through various channels such as cold calling, networking, and social media. Assisted in qualifying leads and identifying decision-makers within target organizations. Helped maintain a database of prospective client information. Gained working knowledge of lead generation tools like LinkedIn Sales Navigator, ZoomInfo, HubSpot, Apollo.io and more.
- **Email Campaign:** Assisted in increasing reach and engagement through targeted email communications. Helped optimize email campaigns by adjusting timing, frequency, content and more. Supported the development of customized proposals and presentations for potential clients. Gained exposure to email campaign tools like YAAM, SM3 etc.
- **Reporting and Analysis:** Tracked sales activities and helped maintain sales records. Assisted in preparing regular sales reports for management review. Helped analyze sales data to identify trends and opportunities for improvement.
