KAVIYARASU K

Dharmapuri, Tamil Nadu | +91 6380341069 | kaviyarasuk2006@gmail.com | linkedin.com/in/kaviyarasu-k-894042292

OBJECTIVE

Final-year Mechanical Engineering student seeking a Production Engineering Internship / Graduate Engineer Trainee role in a manufacturing environment. Strong fundamentals in manufacturing processes, GD&T, and metrology, with hands-on exposure to precision manufacturing and working knowledge of 5S and Lean Six Sigma principles. Eager to apply quality-focused, hands-on learning to real production operations.

EDUCATION

Government College of Engineering, Salem *Expected 2027*

B.E. Mechanical Engineering | CGPA: 7.09

Dr. Ramadass Higher Secondary School, Solaikottai

HSC: 85.16% (2023) | SSLC: Pass (2021)

CORE MECHANICAL ENGINEERING KNOWLEDGE

Strength of Materials | Materials Engineering | Engineering Graphics (GD&T)

Manufacturing Processes | Industrial Engineering & Management

Heat & Mass Transfer | Engineering Thermodynamics

CERTIFICATION

- Lean Six Sigma Foundations — LinkedIn Learning. Covers 5S and process-improvement methods relevant to production and manufacturing environments.

INTERNSHIP

Mechanical Engineering Intern — Sri Vasanth Sri Industries, Hosur *17 Apr – 25 May 2026*

- Gained hands-on exposure to precision manufacturing and fastener production.
- Trained in cold heading, thread rolling, CNC turning, and VMC operations.
- Worked with GD&T-based engineering drawings, metrology, and quality inspection procedures.

ACADEMIC PROJECT

IoT-Based Machine Health Monitoring System

- Developed a system to monitor machine temperature and vibration for preventive maintenance.
- Integrated ESP32 and sensors to collect and transmit real-time machine health data.
- Designed a mobile dashboard to clearly display sensor data for monitoring.
- Strengthened requirement analysis, prototyping, and cross-disciplinary problem-solving skills.

SOFT SKILLS

Teamwork | Problem Solving | Time Management | Communication

CO-CURRICULAR ACTIVITIES

- Student Member, Society of Mechanical Engineers (SME)

LANGUAGES

Tamil | English
