BHUVANESHWARI P

PROFESSIONAL SUMMARY

Electronics and Communication Engineering graduate with practical exposure to Embedded Systems and Python-based software development. Seeking an entry-level opportunity to apply my technical knowledge, gain industry experience, and contribute effectively to the organization while continuously learning and developing my professional skills.

EDUCATION

VIDYAA VIKAS COLLEGE OF ENGINEERING AND TECHNOLOGY

Bachelors in Electronics and Communication Engineering | CGPA: 7.9 | 2022–2026

GOVERNMENT GIRLS HIGHER SECONDARY SCHOOL

HSC: 74% | 2020–2022

SSLC: 76% | 2019–2020

INTERNSHIP

CALIBER EMBEDDED TECHNOLOGIES PRIVATE LIMITED

Embedded Systems Intern

- Gained practical exposure to real-world embedded system applications and development processes.

INDUSTRIAL TRAINING

SUNDRAM FASTENERS LTD. HOSUR

- Gained practical exposure to quality inspection, teamwork, industrial practices, and quality standards.

PROJECT

IMPLEMENTATION OF A LORA ENABLED IOT PLATFORM FOR FAULT DETECTION AND CONTROL IN POWER DISTRIBUTION SYSTEM

- Designed an IoT-based platform concept using LoRa communication for monitoring and control in power distribution systems.
- Focused on sensor-based fault detection and transmission of system data over a long-range wireless communication link.
- Applied concepts of IoT, embedded systems, sensor data handling, and real-time monitoring to support fault identification.
- Considered remote control and system-status monitoring for improving operational awareness and response.

TECHNICAL SKILLS

Programming Languages: Python, C.

Development Tools: MS Excel, SQL, Power BI, Data Analytics.

Web Development: HTML, CSS, JavaScript

Embedded Platforms: Arduino UNO, ESP8266.

Sensors & Modules: LM35, GPS Module, Relay Module.

IoT Platforms: Thing Speak Cloud

CERTIFICATIONS

Python Programming – Great Learning

IBM Communication & Personality Dynamics

Data Analytics – Novi tech

VOLUNTEERING

Annual Day Coordinator

- Volunteered in organizing a college-level cultural event and supported event planning and execution.
- Coordinated participants, communicated event requirements, and helped ensure smooth event activities.
