PROFESSIONAL SUMMARY

Pre-final-year B.Tech IT student with hands-on experience in full-stack web development (HTML5, CSS3, JavaScript, MySQL), Python, and ServiceNow workflow automation. Seeking a role to apply my technical knowledge, grow professionally, and keep improving through continuous learning.

EDUCATION

Bachelor of Technology — Information Technology 2023 – 2027 (Pursuing)
Muthayammal Engineering College | CGPA: 7.78

Higher Secondary Education (HSC) 2023
Sree Gokulam Matric Hr. Sec. School | Percentage: 67.5%

TECHNICAL SKILLS

Languages: Python, C, JavaScript
Web Technologies: HTML5, CSS3, JavaScript
Databases: MySQL
Tools & Version Control: Visual Studio Code, Git, GitHub
Platforms: ServiceNow (ITSM & Workflow Automation)

TECHNICAL PROJECTS

CityCare Hub — Public Service Complaint Management System
Web app for citizens to report civic issues (road damage, garbage, water leakage, streetlight failures) and for authorities to track and resolve them.

- Built a responsive frontend for easy complaint reporting and tracking.
- Developed backend APIs to connect the frontend with the database.
- Collaborated with a team to design and deliver the project on schedule.

Technologies: HTML5, CSS3, JavaScript

Heavy Load Ordering Website
Web app for booking heavy-load transport and managing vehicle permit applications for customers and administrators.

- Built secure, role-based login for customers and administrators.
- Enabled online permit applications, order booking, and status tracking.
- Created an admin dashboard to review and manage permit requests and orders.

Technologies: HTML5, CSS3, JavaScript, MySQL

INTERNSHIPS

ServiceNow Virtual Internship
Hands-on exposure to enterprise workflow automation, IT Service Management (ITSM), incident management, and cloud-based business process automation.

Python Internship — Accent Techno Soft
Strengthened core Python, file handling, and OOP skills; applied them to real-world mini-projects, improving debugging and logical problem-solving.

CERTIFICATIONS

- Edge Computing — NPTEL Certification
- Foundation Course on Green Skills and Artificial Intelligence — Skills4Future Program

ACTIVITIES & ACHIEVEMENTS

- **Paper Presentation — Paavai Engineering College:** Presented a technical paper and secured **2nd Prize**.
- **Quantum Computing Workshop — Sona College of Technology:** Practical exposure to emerging technologies.
- **Industrial Visit — Kites Soft Pvt. Ltd:** Exposure to real-time software development lifecycles and industry best practices.

SOFT SKILLS, LANGUAGES & STRENGTHS

Soft Skills: Communication, Problem Solving, Leadership, Teamwork, Quick Learning
Languages Known: Tamil, English | **Strengths:** Positive Attitude, Self-Motivated, Fast Learner
