Experience

CLAYFIN TECHNOLOGIES PRIVATE LIMITED | Software Developer

January 2023 – Present | India

- → Built and maintained React Native mobile banking apps for Android and iOS, ensuring secure, high-performance, and production-ready releases.
- → Led React Native upgrades (v0.71 → v0.74), modernizing deprecated APIs, updating npm packages, and ensuring backward compatibility across devices.
- → Upgraded and optimized Gradle Android Gradle Plugin (AGP), resolving build failures and aligning with the latest Android SDK requirements.
- → Built reusable UI components and implemented Redux-based state management and useContext in scalable applications.
- → Translated Figma designs into clean, responsive UIs using Styled Components.
- → Enabled localization and RTL support using i18next and I18nManager.
- → Worked in Agile/Scrum teams, participating in sprint planning, code reviews, and CI/CD-based deployments.
