PROFESSIONAL SUMMARY

B.Sc. Microbiology student with practical knowledge of microbiological techniques, biochemical testing, and basic molecular biology. Interested in R&D, Quality Control, Food technology and biotechnology, with a strong willingness to learn and grow professionally. "Quick learner with a strong willingness to learn new skills and adapt to new challenges."

HANDS ON TRAINING

- Microbial Culture and isolation
- Clinical specimen and sample processing
- Microscopy, centrifuge.

Molecular biology

- Plasmid DNA isolation
- Basic molecular techniques

ACHIEVEMENTS

- Oral Presentation at the National Conference on "Versicular Arbuscular Fungi (VAM) production "Bharathidasan College of Arts and Science (Autonomous), Erode, on 28 August 2026.
- Participated in the National Seminar on "Prospect Development of Food and Microbial Sector (PDFM-2025)", K.S.R. College of Arts and Science for Women, Tiruchengode, on 28 January 2025
- 2nd Place in tamil Proficiency Competition
- Best anchor award and best team leader ship award

EDUCATIONS

2024 - 2027

Bsc Microbiology
JKKN COLLEGEOFARTSANDSCIENCE

2023 - 2024
Higher secondary education certificate
CSI BOYS HIGHER SECONDARY SCHOOL
65%

2021 - 2022
Secondary school leaving certificate
CSI BOYS HIGHER SECONDARY SCHOOL
68.67%

PROJECT

Formulation of Consortium Liquid Bio-Fertilizer Using Soil Bacteria and Its Growth Promoting Activities.

- Designed a microbial-basedbiofertilizer concept using beneficial microorganismsfor sustainable agricultural applications.
- Applied basic microbiological techniques for microbial culture, maintenance, screening, and evaluation of plant growth-promoting properties.
- Focused on developing an eco-friendly microbial product to enhance soil fertility and promote sustainable plant growth.
