CAREER OBJECTIVE

- Motivatedand detail-oriented Mechanical Engineering student currently in the final year of a Bachelor of Engineering program, with an expected graduation in 2027. Strong foundation in engineering principles, CAD design, and problem-solving, backed by hands-on exposure to practical projects, industrial training, and laboratory work. Eager to apply technical skills, learn new technologies, and contribute effectively to real-world engineering challenges. A proactive team player with strong communication skills and a commitment to continuous improvement.

EDUCATION

B.E Mechanical Engineerning
Velalar College of Engineering and Technology, Erode — **CGPA - 7.97** — **2023 - 2027**

HSC
Govt Boys Higher Secondary School Sankari, Salem. — **2023**

SSLC
Govt Boys Higher Secondary School Sankari, Salem. — **2021**

IN-PLANT TRAINING

Diesel & Electric Loco Shed, Erode - Indian Railways — **june 2025 (15days)**

Gained practical exposure to diesel and electric locomotives, including engines, traction motors, alternators, and braking systems, along with observing maintenance, inspection, and safety practices in Indian Railways

PROJECT

Design and Fabrication of Motorized Screw Jack

- Designed and fabricated a motorized screw jack for lifting applications with reduced manual effort.
- Integrated an electric motor with a screw mechanism to provide controlled lifting and lowering.
- Selected suitable mechanical components based on load and operational requirements.

TECHNICAL SKILL

- CAD & Design: AutoCAD, SolidWorks, 2D Drafting, 3D Modeling, Engineering Drawing
- Manufacturing: Manufacturing Processes, Machining, CNC Basics, Welding, Sheet Metal Basics
- Mechanical: Engineering Mechanics, Strength of Materials, Thermodynamics, Fluid Mechanics, Machine Design
- Engineering Tools: GD&T Basics, Measurement & Metrology, Tolerance & Fits

CERTIFICATION

NPTEL : MetalAdditiveManufacturing — **2025**
