Immediate Joiner | Open to Relocation

PROFESSIONAL SUMMARY

IT Infrastructure and Network Administrator with hands-on experience in Windows Server administration, Active Directory, networking, hardware troubleshooting, virtualization, and cloud infrastructure. Skilled in Windows Server 2019/2022/2025, Active Directory (AD DS), Group Policy (GPO), DNS, DHCP, LAN/WAN, TCP/IP, VLANs, VMware, AWS, and Microsoft Azure. Experienced in supporting 50+ workstations, administering 100+ Active Directory user accounts, troubleshooting wired and wireless connectivity issues, and providing remote technical support. Demonstrated ability to improve workstation availability, reduce hardware downtime, and implement structured network infrastructure. B.E. in Electronics and Communication Engineering with AWS Certified Cloud Practitioner currently in progress.

WORK EXPERIENCE

DAZZ IT Wing, Salem, Tamil Nadu. 2025 – 2026

Systems & Network Administration Intern

- Diagnosed and repaired hardware faults on 50+ corporate workstations, sustaining 95% fleet availability and reducing downtime by approximately 30%.
- Installed and configured Windows 10 and Windows 11 on 30+ systems, reducing average setup time to under 2 hours per machine.
- Resolved 20+ wired and wireless network connectivity issues monthly, minimizing network downtime for business operations.
- Administered 100+ user accounts and Organizational Units (OUs) in Active Directory (AD DS), ensuring consistent access control and security compliance.
- Provided remote technical support to 15+ off-site employees weekly using AnyDesk and UltraViewer, resolving hardware, software, and connectivity issues remotely.
- Designed, implemented, and tested a 30+ device star-topology Local Area Network (LAN) for a multi-department office/campus environment, including VLAN segmentation, structured Cat6 cabling, IP addressing, DHCP/DNS configuration, and switch and router setup.

EDUCATION

Bachelor of Engineering (B.E.), Electronics and Communication Engineering 2022 - 2026

AVS Engineering College, Salem, Tamil Nadu | ***CGPA: 8.04***

Higher Secondary Certificate (HSC), Bharathi Vidyalaya Higher Secondary School, Salem 2020 - 2022

Secondary School Leaving Certificate (SSLC), Government High School, Salem 2019 - 2020

TECHNICAL SKILLS

- **Windows Server & Administration:** Windows Server 2019/2022/2025, Windows 7/8/10/11, Active Directory (AD DS), Group Policy Objects (GPO), Organizational Units (OU), Domain Controller, DNS, DHCP, VPN, User Account Administration, Access Control management, Ticketing Systems
- **Networking:** LAN, WAN, TCP/IP, OSI Model, Subnetting, Switch Configuration, Router Configuration, Wi-Fi Setup, Structured Cat6 Cabling, Network implementation & Troubleshooting
- **Cloud - AWS:** EC2, S3, IAM, VPC, EBS, Route 53, CloudWatch, Web Hosting
- **Cloud - Microsoft Azure:** Virtual Machines, Microsoft Entra ID, Blob Storage, Virtual Network (VNet), Network Security Groups (NSG), Resource Groups
- **Virtualization & Operating Systems:** VMware Workstation, Oracle VirtualBox, Windows, Linux, Ubuntu, CentOS
- **Hardware, Support & Tools:** PC Assembly, Hardware Diagnostics and Troubleshooting, Printer and Scanner Configuration, Microsoft 365 administration, PowerShell, Windows troubleshooting, backup/recovery, patch management, endpoint management, and security
- **Remote Support**: AnyDesk, UltraViewer & TeamViewer

PROJECTS

- **Virtual Network Lab:** Deployed a 5-VM enterprise environment on VMware Workstation with a Windows Server 2022/2025 Domain Controller; configured AD DS, DNS, DHCP, and GPOs, and validated policy enforcement across 4 client VMs.
- **AWS Cloud Infrastructure:** Configured EC2, S3, IAM (least-privilege), and a custom VPC with public and private subnets; monitored resource health using CloudWatch.
- **Azure Cloud Infrastructure:** Provisioned Azure VMs with Network Security Groups (NSGs), configured Blob Storage and Entra ID RBAC, and deployed a Virtual Network (VNet) using Resource Groups.
- **Hardware Assembly:** Assembled and benchmarked 10 PC builds for academic use, reducing average assembly time by 25% through standardized procedures.

CERTIFICATIONS, ACHIEVEMENTS & LANGUAGES

- Computer Hardware & Networking Certification, DAZZ IT Wing
- AWS Certified Cloud Practitioner, in progress
- Award for Poster Presentation, National Level Technical Symposium
- **Languages:** Tamil (Native), English (Professional), Telugu (Basic)
