PRADEEP K

Electronics and Communication Engineering student

+918870582669 pradeepjr93@gmail.com salem, India

PROFESSIONAL SUMMARY

Electronics and Communication Engineering graduate with knowledge of Java, Python, SQL, HTML, CSS, JavaScript, IoT, Arduino, and sensors. Hands-on experience developing IoT and sensor-based projects using Arduino and electronic sensors. Seeking an entry-level engineering opportunity to apply technical and problem-solving skills in a professional environment.

EDUCATIONS

Sona College of Technology

Oct 2022 - Apr 2026

Bachelor of Engineering in Electronics and Communication

- **CGPA**: 7.24
- **Percentage**: 83.5%
- **HSC**: Malco Vidhyalaya Matric HR Sec School
- **Percentage**: 74.6%
- **SSLC**: Malco Vidhyalaya Matric HR Sec School

PROJECTS

IoT-Based Real-Time Piezoelectric Energy Harvesting and Traffic Lane Monitoring System

Dec 2025 - Apr 2026

- Developed an IoT-based system for generating electrical energy from vehicle pressure using piezoelectric sensors.
- Implemented real-time traffic lane monitoring and sensor-based data collection using Arduino.
- Worked on sensor integration, data collection, and real-time monitoring as part of the software and IoT solution.

Technologies / Tools Used : *IoT, Piezoelectric Sensors, Arduino*

Movie Booking Site

Mar 2025 - May 2025

- Developed a responsive web application for movie booking using HTML, CSS, and JavaScript.
- Implemented movie selection and seat booking functionality.
- Designed an intuitive and user-friendly interface for the movie booking workflow.

Technologies / Tools Used : *HTML, CSS, JavaScript*

Microplastics Detection Using Turbidity Sensor

Oct 2024 - Feb 2025

- Developed a water quality monitoring system using a turbidity sensor and Arduino.
- Implemented turbidity measurement to identify potential microplastic contamination in water.
- Performed sensor-based data collection and monitoring as part of the embedded IoT solution.

Technologies / Tools Used : *Turbidity Sensor, Arduino*

SKILLS

Programming Languages :	Java, python, SQL, JavaScript, HTML, CSS
IoT & Hardware :	IoT, Arduino, Sensors
Databases :	MySQL
Tools & Platforms :	Git, GitHub, VS Code
Soft Skills :	Problem Solving, Team Collaboration, Time Management, Communication

CERTIFICATIONS

- IoT – NPTEL
- Programming Using Java – Infosys Springboard
- Java for Programmers Crash Course – Udemy
- Introduction to SQL (Basic) – HackerRank
- IOCC Course in LabVIEW – DigitalToad Technologies Pvt. Ltd., Bengaluru
- Python – Udemy

WORKSHOPS ATTENDED

Workshop Attended

- Participated in PCB Mounting Workshop – Sunshiv Electronics
- Participated in IoT Workshop based on Arduino
- Participated in Festember – NIT Trichy
