CAREER OBJECTIVE

Motivated B.Tech Information Technology student with internship experience in Data Analytics, Data Science and Cloud Engineering. Experienced in building analytics dashboards, developing Machine Learning Solutions and database driven applications.

EDUCATION

Bachelor of Technology in Information Technology 2023 – 2027
Vivekanandha College of Technology for Women, Namakkal *CGPA: 8.50/10.0*

Higher Secondary Certificate (HSC) 2023
Sri Ramakrishna Matric Higher Secondary School *83.3%*

TECHNICAL SKILLS

Languages: Python, Java, SQL
Tools: Streamlit, MySQL, Git, VS Code, AWS cloud fundamentals
Domains: Data Science, Data Analytics, Cloud Engineering

INTERNSHIPS

Data Science Intern June 2024 – Aug 2024
Vcodez, Chennai *Remote*

Developed **NeoGraph AI**, an intelligent platform providing actionable business insights using ML algorithms
Implemented data preprocessing pipelines and statistical modeling for complex business datasets

Data Analytics Intern Mar 2024 – May 2024
SkillUp Tech Solutions, Ulundurpet *Remote*

Built **Hotel & Library Management Systems** using Python, Streamlit, and MySQL for operations optimization
Created interactive dashboards and analytics reports for real-time monitoring and decision-making

PWC Cloud Engineering Micro Certification Program Feb 2026 - July2026
Remote

PROJECTS

NeoGraph AI: Business Insight Engine
Python, ML, Data Analytic
AI-powered platform leveraging machine learning for predictive analytics with interactive visualizations

Password Strength Checker *JavaScript, HTML, CSS*
Web application evaluating password security using pattern matching with real-time feedback

Hotel Management System *Python, Streamlit, MySQL*
System with room booking, guest management, billing, and analytics for tracking occupancy trends
Project live link: https://hotelman-treyfaytnmmau7cevnjklj.streamlit.app/

Library Management System *Python, Data Analytics*
Analytics application managing inventory, member tracking, and circulation with borrowing insights
Project live link: https://skillupintern-9tbrtnq3t57ntjt9o3mhnr.streamlit.app/

CERTIFICATIONS

NPTEL – Python for Data Science (Elite, 67%) **Apollo** – Python Certification **Typewriting** – First Class with Distinction (Tamil & English) **Learnathon** – Course Certification **PWC –** Programming fundamentals, soft skills, Python, PromptEngineering , SQL.
