CAREER OBJECTIVE

Motivated and enthusiastic B.Tech student specializing in Artificial Intelligence and Data Science, with a strong interest in Salesforce, software development, data analytics, and emerging technologies. Seeking an opportunity to apply my technical knowledge, programming skills, and problem-solving abilities in a professional environment. Eager to contribute to real-world projects, gain practical industry experience, and continuously develop my technical and professional skills.

EDUCATION

M. KUMARASAMY COLLEGE OF ENGINEERING, KARUR **CGPA – 6.4/10**
Bachelor of Technology in Artificial Intelligence and Data Science Aug 2023 – May 2027

KONGU KALVI NILAYAM MATRICULATION SCHOOL, ERODE **73%**
Higher Secondary Education (HSC) Jun 2022 – Mar 2023

PROFESSIONAL TRAINING

SALESFORCE PROFESSIONAL TRAINING

- Hands-on training in Salesforce CRM, Salesforce Administration, Objects, Fields, Relationships, Data Management, and platform configuration.
- Practical learning in Salesforce Flow, Apex Programming, Triggers, Reports, Dashboards, Lightning App Builder, and automation.
- Developed practical understanding of Salesforce application development and CRM-based business processes.

TECHNICAL SKILLS

Programming: Python, Java, C

Salesforce: CRM, Apex, Triggers, Flow, Reports, Dashboards

Web Technologies: HTML, CSS, JavaScript

Database: MySQL

Developer Tools: Git, GitHub, VS Code, Salesforce Developer Edition

Core Concepts: Object-Oriented Programming, Data Structures, Problem Solving

PROJECTS

ACCESSING VISUAL INFORMATION FOR PERSONS WITH VISUAL DISABILITY 2025

- Developed an AI-based assistive mobile application designed to support visually impaired users in accessing and understanding visual information.
- Implemented AI and voice-based features to improve accessibility, communication, and user interaction.

CAMPUS BUS TRACKING

- Developed a web application for monitoring and tracking campus buses.
- Integrated AI-based tracking functionality to improve real-time bus monitoring and provide useful transportation information.

CERTIFICATIONS

- Python Programming
- IEEE Conference Certification
- Salesforce Professional Training

ACHIEVEMENTS

- Published an IEEE research paper on AI-based assistive technology.
- Participated in Smart India Hackathon.

AREA OF INTEREST

Salesforce and CRM Technologies — Artificial Intelligence — Data Science

Coding and Problem Solving — Emerging Technologies
