Education

B.com Ca 3.8.2020 – 8.5.2023

Vysya College Salem

74.5

Bachelor of Commerce in Computer Applications (B.Com CA) is an undergraduate degree that combines commerce subjects with computer application skills. The program provides knowledge in accounting, finance, taxation, business management, programming fundamentals, database management, and office automation. It equips students with analytical, technical, and communication skills required for careers in accounting, banking, finance, IT-enabled services, business operations, and corporate organizations while preparing them for higher studies and professional certifications.

M.com 7.7.2024 – 2.6.2026

Bharathidasan University, Tiruchirapalli

67.4

Master of Commerce (M.Com) is a two-year postgraduate degree that provides advanced knowledge in accounting, finance, taxation, economics, business management, and commerce. The program develops analytical, financial, and managerial skills required for careers in banking, finance, accounting, auditing, taxation, corporate organizations, and higher education. It also prepares graduates for professional certifications and competitive examinations while enhancing decision-making, research, and business communication skills.
