Objective

Motivated Computer Science Engineering student seeking an entry-level opportunity to begin a career in software development. Eager to apply academic knowledge, strengthen problem-solving abilities, and gain practical industry experience. Committed to continuous learning and contributing effectively to a professional team.

Education

B.E. Computer Science and Engineering 2023–Present
K.S.R. Institute for Engineering and Technology, Namakkal **CGPA: 8.82/10**

Secondary school leaving Certificate(SSLC) 2022–2023
Sri Vinayaga Matric Hr. Sec. School, Dharmapuri **88%**

Higher Secondary Certificate (HSC) 2020–2021
Sri Vinayaga Matric Hr. Sec. School, Dharmapuri **Pass**

Technical Skills

- **Programming Languages:** Java
- **Web Technologies:** HTML, CSS
- **Database:** MySQL, SQL
- **Core Concepts:** OOP, Data Structures, DBMS, Problem Solving
- **Tools:** Git, GitHub, VS Code

Projects

Event Booking System Live Demo

- Developed a responsive event booking platform with **5+ core modules** including event discovery, event details, booking, ticket management, and cancellation.
- Implemented an interactive booking workflow allowing users to browse events, select tickets, view total booking amounts, and manage reservations.
- Designed a clean and user-friendly interface with dedicated sections for featured events, upcoming events, bookings, and event information.
- Deployed the application on **Vercel** for public access and testing.

CGPA Calculator Live Demo

- Developed a web-based CGPA Calculator supporting **5 subject inputs** with automated CGPA calculation.
- Implemented marks-to-grade and grade-point conversion with a structured result table for clear academic performance analysis.
- Designed a simple and user-friendly interface with input validation and instant result generation.
- Deployed the application on **Vercel** for public access and testing.

Internships

CodeBind Technologies, Chennai 2025
Web Development Intern

- Developed responsive web pages using **HTML, CSS, and JavaScript**.
- Worked on front-end development tasks including webpage structure, styling, layouts, and basic JavaScript functionality.
- Gained practical exposure to developing clean and user-friendly web interfaces.

Infronex, Coimbatore 2024
Data Analytics Intern

- Worked with real-time datasets and performed data cleaning, preprocessing, and basic analysis.
- Used **Excel and Python** to organize, process, and analyze datasets.

Certifications

- AWS Global Certification
- SWAGS (Google) Certification
- NPTEL SWAYAM Certification – Sustainable Happiness
- MATLAB Certification
- Solution Challenge Certification
- Coursera Certification – Java and Object-Oriented Programming

Achievements

- Secured **2nd Rank** in Higher Secondary Examination.
- Awarded **Silver Medal** in NPTEL Course – Sustainable Happiness.
