

MADHESHWARAN V

A Passionate Mechanical Engineer

+91 9952481179| sakthimadhesh3@gmail.com | https://www.linkedin.com/in/madheshwaran-v-b7bb77287

Education

B.E (MECHANICAL ENGINEERING) *Aggregate: 7.9 CGPA*

Government College of Engineering, Salem *2022-2026*

STATE BOARD CLASS 12 *Aggregate: 80%*

S.E.T Vidhya Devi Matric Higher Secondary School, Alivalam, Pattukkottai *2021-2022*

STATE BOARD CLASS 10 *Aggregate: 93%*

The Little Bird Matriculation School, Pattukkottai *2019-2020*

Skills

COURSES: CNC turning and milling operations, CATIA V5

FAMILIAR WITH: MS (word, excel, power point)

CAD SOFTWARES: CATIA V5, AutoCAD

TECHNICAL SKILLS: 7 QC Tools, Kaizen, 5S

SOFT SKILLS: Leadership, Teamwork, Adaptability, Time Management

Internships

1. **NLC INDIA LIMITED – NEYVELI** **2 weeks**

Design and Failure Analysis of SME's Gearboxes. *18/01/2025 – 31/01/2024*

- Reconditioning the gearboxes
- Refurbishing and Restoring the Equipment

2. **SRI DHANALAKSHIMI LATHE WORK – RAJAPALAYAM** **4 weeks**

CNC Turning and Milling Operation *25/06/2025 – 08/07/2024*

- Performed turning and milling operations on CNC lathe as per engineering drawings.
- Assisted in machine setup, tool offsets, and basic M- codes and G-code understanding.

3. **TVS – SUNDRAM FASTENERS - PADI, CHENNAI (DESIGN AND DEVELOPMENT)** **15 weeks**

20/02/2026 – 31/05/2026

- SMED- Job change time reduction in 204ML and 36B4SS Cold forging machine.

Project Work

DESIGN AND FABRICATION OF IOT BASED MULTIPURPOSE AGRICULTURE MACHINE (MINI PROJECT)

- Designed and fabricated an IoT-based multipurpose agriculture machine for automated farming operations.
- Integrated sensor sand IoT monitoring to improve efficiency, reduce manual effort, and support precision agriculture.

DESIGN AND FABRICATION OF REGENERATIVE BRAKING SYSTEMS FOR TWOWHEELER (MAIN PROJECT)

- Designed and fabricated a regenerative braking system for a two-wheeler to recover braking energy.
- Converted kinetic energy into electrical energy to improve overall energy efficiency.

Certifications

- Heritage horse power-classic IC engine (at Anna university, Guindy)
- IC Engine Workshop (India association with mechanical 2024 – IIT madras)
- Catia V5 comprehensive video lecture course on EDUONIX online certification
- Machining process: Finishing process and CNC machine Alison Online certification

Co-curricular activities

- **NSS Volunteer** (Participated in awareness & tree planting campaigns and did 1-week special camp for school students) ***2026-present***

Languages

- English - Full Professional Proficiency
- Tamil - Native
