NABEEL AHAMED M

Medical Electronics Engineer

Erode, India | mnabeelahamed31@gmail.com | 8148522731 | linkedin.com/in/nabeel-ahamed-m-92a2b9254

PROFESSIONAL SUMMARY

Recent B.E. graduate in Medical Electronics Engineering with hands-on experience in medical equipment servicing and hospital-based clinical engineering training. Seeking an entry-level Biomedical / Medical Electronics Engineering role.

CORE SKILLS

Biomedical Instrumentation • Medical Equipment Maintenance & Servicing • Circuit Design & Debugging • Hospital Equipment Operations • 3D Printing • MATLAB • MS Office • Communication • Teamwork • Problem-Solving

WORK EXPERIENCE

Sales Engineer — Ababil Healthcare Pvt Ltd *05/2024 - 11/2024*

- Hands-on experience with critical care and OT equipment: ventilators, defibrillators, syringe pumps, infusion pumps, patient monitors, ultrasonic scalpel systems, and anaesthesia workstations.

EDUCATION

Bachelor of Engineering (B.E.), Medical Electronics Engineering *09/2020 - 05/2024*

Velalar College of Engineering and Technology, Erode, India

Higher Secondary *05/2019 - 04/2020*

Meenakshi Sundaranar Sengunthar Higher Secondary School, Erode, India

HOSPITAL & INDUSTRY TRAINING

Clinical Engineering Trainee — MMC Hospital, Erode *11/2023*

- Hands-on exposure to hospital medical equipment operations, maintenance workflows, and safety protocols.

Medical Equipment Operation & Maintenance Workshop — BMESI *03/2023*

- Two-day workshop on medical equipment operation and maintenance, sponsored by the Biomedical Engineering Society of India.

Ultrasound Machine Service Workshop — Cyrix Healthcare Pvt Ltd., Cochin *09/2022*

- One-day workshop on service and maintenance procedures for ultrasound machines.

PROJECTS

Portable Device for Virus and Bacterial Diagnosis *05/2022 - 06/2024*

- Designed and prototyped a low-cost, portable diagnostic device for rapid detection of viral and bacterial infections, improving accessibility of early screening outside traditional lab settings.

ACHIEVEMENTS

1st Prize, Paper Presentation — National-Level Symposium *04/2022*

Erode Sengunthar Engineering College — "Optical Method for the Determination of Weight Distribution in the Foot."

1st Prize, Circuit Debugging — National-Level Symposium *04/2022*

Erode Sengunthar Engineering College

CERTIFICATIONS

- Role of 3D Printing in Manufacturing and Healthcare Industries — Atheenapandiyan Pvt Ltd (08/2023)
- Hospital Training Certificate — MMC Hospital, Erode (11/2023)
