Career Objective

Motivated and detail-oriented Computer Science and Engineering student seeking an entry-level position as a Java Backend Developer. Possess a strong foundation in Java, MySQL, and Spring Boot, with an interest in developing reliable and efficient backend applications. Eager to apply my technical and problem-solving skills in a professional environment while continuously learning and contributing to the growth of the organization.

Education

Excel College of Engineering and Technology **2023 - 2027**
B.E Computer Science and Engineering
CGPA - 8.3

Kalaimagal Kalvi Nilayam Girls.Hr.sec.school **2021**
HSC (Class XII) : 83%

Technical skills

Programming Languages: Java, SQL
Core Concepts: OOP**,** Data Structures and Algorithms
Backend/API: REST APIs
Framework: Spring Boot
Database: MySQL
Tools: GitHub, VS Code

Projects

Plant Identification System

Developed a plant identification and information system that provides details such as plant family, benefits, products, pests, and growth requirements.Implemented a Java-based backend with Spring Boot and MySQL to manage and retrieve plant information efficiently.

Smart Bus Attendance System

Contributed to the backend development of the Smart Bus Admin System using Java and Spring Boot. Implemented REST APIs, managed MySQL database operations, and handled backend–database integration for efficient bus and admin data management.

Internship Experience

Techvolt Software Pvt. Ltd. [Web Development Intern] | 2024 | (9 Days)
Acquired practical knowledge of web development by learning HTML fundamentals, website structure, and the basic process of designing and developing responsive web pages.

Crescent Infotech [Data Processing Intern] | 2024 | (15 Days)

Gained hands-on experience in data collection and data processing techniques while understanding data organization, validation and efficient information management.

Certifications

NPTEL Certified (Elite) — Internet Of Things, IIT Kharagpur
Hackathon Participant – TECHNOVANZA 2026, Shree Venkateshwara College of Engineering
Java Programming – L&T EduTech (LearnKonnect)

Languages

Tamil , English
