Career Objective

To obtain a challenging position in a reputable organization where I can effectively utilize my skills and knowledge to deliver quality results. I seek and opportunity to prove my abilities, enhance my professional skills and contribute to organizational growth.

Academic Profile

S.NO	QUALIFICATION	SCHOOL/COLLEGE	UNIVERSITY/ BOARD	YEAR OF PASSING	PERCENTAGE
1.	M.sc microbiology	Sree Amman college of arts and science, Erode	Bharathiar University	2024	77%
2.	B.sc microbiology	Vivekanandha college of arts and sciences for women, Tiruchengode	Periyar University	2022	79%
3.	SSLC	MRG govt higher sec school, Erode	State board	2017	81.8%
4.	HSC	MRG govt higher sec school, Erode	State board	2019	60%

Technical Skills

- Microsoft office
- Internet browsing
- Basic laboratory techniques
- Self motivated and quick learner

Languages Known

- Tamil/English

Areas of Interest

- Medical coding
- Laboratory technician
- Industrial microbiology work

Activities & Participation

- Member of National Service Scheme(NSS)
- Participated in the National conference on "Promotion of Live hood & Entrepreneurship Opportunity through Medicinal & Aromatic Plants" conducted at Vivekanandha college of arts and sciences for women.

Experience

- Three years of working in medicine wholesale at VIKAAS ENTERPRISES (picking ,stock purchasing, checking, data entry),Erode.

Internship Training

- Completed internship training at Erode M .M.C.H and received certification.
- Completed internship training at R.R Laboratory, Erode and received certification.

Academic Projects

B.sc Research Project: "Antibacterial Activity of Leaf Extract of Adhatoda vasica Against Respiratory Infection-Causing Pathogen of Clinical Sample."

Description:

- Prepared plant leaf extract using standard solvent extraction methods.
- Isolated and identified respiratory pathogens from clinical samples under aseptic conditions.
- Evaluated antibacterial activity using agar well diffusion technique .
- And measured zones of inhibition to determine antimicrobial effectiveness.
- Maintained laboratory documentation and followed bio safety protocols.

M.sc Research Project: "Microbial Synthesis of Silver Nanoparticles and Their Characterization Against MDR Bacteria".

Description:

- Performed green synthesis of silver nanoparticles using microbial isolates as reducing agents.
- Characterized synthesized nanoparticles using UV-Visible spectroscopy and microscopic techniques.
- Evaluated antimicrobial activity against multidrug-resistant (MDR) bacterial strains using agar well diffusion method.
- Analyzed zone of inhibition data to assess antibacterial efficacy. Interpreted experimental results and prepared a comprehensive research dissertation.

Personal Details

- Address : SSP Nagar Rasampalayam, Erode
- Date of Birth : 15.12.2001
- Phone No : 9361919796
- Email : akshayaarun1512@gmail.com

Declaration

I hereby declare that the above information is true and correct to the best of my knowledge. I assure you of my sincerity and dedication in my work.

Place: Erode

Date:
