ROHINI D

Biomedical Engineering Student

8015400324 | rohinidhevaraj@gmail.com | linkedin.com/in/rohinirohini0703 | Tamil Nadu, India

CAREER OBJECTIVE

Detail-oriented Biomedical Engineering student skilled in programming and biomedical equipment fundamentals, with practical exposure through internships and hospital training. Seeking a role where I can apply my skills and continue developing professionally.

EDUCATION

B.E. Biomedical Engineering — Kongunadu College of Engineering and Technology, Tamil Nadu Expected 2027

Higher Secondary Education (Class XII) — Amala Girls Higher Secondary School, Tamil Nadu — 69% 2023

Secondary Education (Class X) — Amala Girls Higher Secondary School, Tamil Nadu — 100% 2021

TECHNICAL SKILLS

- Programming: Java Programming Basics
- Deep Learning: CNN, GNN — applied to medical image analysis
- Tools: MATLAB & Simulink (Modelling and Simulation), Data Preprocessing
- Domain: Biomedical equipment fundamentals, medical imaging (MRI)

PROJECTS

Early Detection of Alzheimer's Disease from Cortical and Hippocampal Analysis

- Analyzed over 100 MRI brain images (sourced from Kaggle) to detect early signs of Alzheimer's disease, with preprocessing to improve image quality
- Segmented cortical and hippocampal regions of interest and extracted relevant features for classification
- Split data 80/20 for training and testing; applied CNN for cortical and hippocampal analysis and GNN as the classifier to stage disease progression

INTERNSHIPS

Codebind Technology, Salem

- Applied software development practices on real-time tasks, strengthening problem-solving and debugging skills

Galwin Technology

- Gained exposure to industry tools, technical workflows, and project practices in a professional engineering environment

Hospital Training — ABC Hospital

- Observed biomedical equipment operation and healthcare procedures firsthand
- Learned maintenance and safe handling protocols for medical devices

CERTIFICATIONS

- LeetCode — Data Structures & Algorithms practice
- Medical Coding — foundational certification
- Modelling and Simulation using MATLAB and C
- NPTEL certification

SOFT SKILLS & LANGUAGES

- Teamwork, Communication
- Languages: Tamil, English

HOBBIES & EXTRACURRICULAR ACTIVITIES

- Drawing, Painting, Crafts, Listening to Music
