CAREER OBJECTIVE

Seeking an opportunity to build a career in Biomedical Engineering and Software Development, where I can apply my engineering fundamentals, programming skills, and analytical thinking to develop innovative, reliable, and impactful solutions while continuously enhancing my technical and professional expertise.

EDUCATION

- **B.E. Biomedical Engineering** | Kongunadu College of Engineering & Technology, Trichy | *2023 – 2027 (Expected)*

  CGPA: 7.28
- **HSC (Class XII)** | Amala girls Higher Secondary School, Musiri | *2022- 2023*

  Percentage: 75.6%
- **SSLC (Class X)** | Amala girls Higher Secondary School, Musiri | *2021-2022*

  Percentage: pass

TECHNICAL SKILLS

- Biomedical equipment knowledge: ECG machines, ventilators, patient monitors, defibrillators
- Maintenance of clinical and diagnostic equipment
- Biomedical instrumentation
- Understanding of radiological equipment
- Anatomy and Human physiology
- Java

INTERNSHIPS

Medifocus India Private Limited,Madras

- Training about the Diabetic Foot lamb,Aterial Blood Gas(ABG),hands on training in those equipments.

Suloshan Healthcare and Technology,Trichy

- Information gained about the ECG machine,Ventilator,Defibrillator.

Dhanalakshmi Srinivasan Medical College,Trichy

- Observed the struggles faced by the patient in OT,ICU real time and learn all about the equipments were used there.

AREA OF INTEREST

- Anatomy & Human Physiology
- Radiological equipment
- Biomedical Instrumentation
- Clinical Equipment Maintenance & Hospital

PROJECT

Development of electrolyte gel using compatible natural polymers **SEP 2025**

- In conventional method others use harmful chemicals for making the electrolyte gel but we use natural polymers aloe vera powder and corn starch for making harmless gel.

Portable Multi-parameter Blood Analyser **APR 2026**

- The analyser will analyse the the four parameter such as uric acid,glucose,cholesterol,hemoglobin in one device by using small amount of blood and reduce the result time.

VALUE ADDED COURSE

- Medical Coding – Thoughtflow
- Biomedical Instrumentation – Atheena Pandian Pvt. Ltd.

PROFESSIONAL SKILLS

- Communication.
- Adaptable and quick learner.
- Leadership Quality(Lead academic project teams)

LANGUAGES

- English
- Tamil

PARTICIPATION

- I attended two paper presentation and four workshop and also the world record big wall painting were conducted by my college.
