GOKULAKRISHNAN V

Biomedical Engineering Graduate

Mobile No : 7845657083 | E-mail: gokulakrishnanv020@gmail.com | Linkedin: www.linkedin.com/in/gokulakrishnan-v20

PROFESSIONAL SUMMARY

Aspiring Biomedical Engineer with a strong academic background in medical device design and biomechanics. Eager to apply my knowledge and skills to develop innovative medical solutions and improve patient care.

EDUCATION

BE, Biomedical Engineering 2023 - 2027
Kongunadu College of Engineering and Technology - CGPA: 7.5 / 10.0

HSC 2022 - 2023
Government Hr. Sec. School - 62%

SSLC 2020 - 2021
Government Hr. Sec. School

SKILLS

Programming Languages: Java, HTML

Tools: VS Code , Intellij IDEA

Biomedical instrumentation

Equipment handling .

Soft Skills: Management Skills, Critical Thinking, Leadership , Therapeutic Equipment

PROJECTS

Development of sensor integrated orthotic device for tennis elbow management.

- Developed a wearable forearm orthosis for tennis elbow patient.
- Provided real time data for tracking rehabilitation progress.
- Tools : C++, HTML

Sensor based forearm orthosis for tennis elbow management.

- Designed to monitor forearm muscle activity and provide support.
- Applied biomedical instrumentation and sensor technology in health application.
- Tools : C++, HTML

INTERNSHIPS

Anchor Medical Devices, Salem.

- Assisted in the maintenance, calibration, and troubleshooting of biomedical equipment in a clinical environment.
- Performed preventive maintenance on medical devices to ensure safety and operational efficiency.
- Gained hands-on experience with patient monitoring systems, infusion pumps, ECG machines, and other biomedical devices.

Biomedical Instruments Service Intern
Newton Biomedical Service (Karur)

- Hands-on experience in medical equipment maintenance, troubleshooting, and quality control procedures
- Observed and assisted in the installation, testing, and servicing of biomedical equipment.
- Assisted in equipment troubleshooting and minor repairs under engineer supervision.

Hospital Training, Cuddalore Government Medical College, Chidambaram.

- Assisted biomedical engineers in preventive maintenance and basic troubleshooting of medical equipment.
- Observed the functioning and maintenance of critical medical devices across various hospital departments.
- Gained exposure to equipment used in the ICU, Operation Theatre (OT), Radiology, Laboratory, and Emergency departments.

ACHIEVEMENTS

- Participated in the AMTZ Hackathon conducted at Andhra Pradesh MedTech zone (AMTZ), Visakhapatnam.
- Participated in The SIH (Smart India Hackathon) Competitions.
- Participated in Paper Presentation in Kongu Engineering college, Erode.
- Participated in Paper Presentation Velalar College of Engineering and Technology, Erode.

EXTRACURRICULAR INVOLVEMENT

Member — Multimedia Club, Green Club

CERTIFICATIONS

- Java Programming — Yellow Matics
- Medical Coding — Thought Flow
- IOT (Internet of Things) — NPTEL
